

FCC Compliance for niostem headset

This device complies with part 15 of the FCC Rules and standards. This portable transmitter with its antenna complies with FCC/IC RF exposure limits for general population / uncontrolled exposure. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Warning (Part 15.21): Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. FCC Interference Statement (Part 15.105 (b)): This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

EU / UK Compliance for niostem headset

Mane Biotech GmbH hereby declares that this wireless device is in compliance with Directive 2014/53/EU and Radio Equipment Regulations 2017. niostem's EU representative is Mane Biotech GmbH, Stüttgerhofweg 1, 50858 Cologne, Germany.

Disposal and Recycling Information

The symbol (trash bin) means that according to local laws and regulations your product and/or its battery shall be disposed of separately from household waste. When this product reaches its end of life, take it to a collection point designated by local authorities. The separate collection and recycling of your product and/or its battery at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment.

Read operator's manual

WARNING: Do not use this appliance in a bathtub, shower, or water filled reservoir.

niostem Limited Warranty Summary

niostem warrants the included hardware product against defects in materials and workmanship for one year from the date of original retail purchase. niostem does not warrant against normal wear and tear, nor damage caused by accident or abuse. To obtain service, write to support@niostem.com or contact niostem's customer service via the niostem App in Settings/Help Center. National and International shipping charges apply, depending on the location. Subject to the full terms and detailed information on obtaining service available at <https://niostem.com/pages/warranty>, if you submit a valid claim under this warranty, niostem will either repair, replace, or refund your hardware device at its own discretion. Warranty benefits are in addition to rights provided under local consumer laws. You may be required to furnish proof of purchase details when making a claim under this warranty.

For EU consumers: niostem means Mane Biotech GmbH, Stüttgerhofweg 1, 50858 Cologne, Germany.
