

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing various external components of the EUT laid out on a blue surface next to a ruler. The components include two coiled cables (one with a USB connector, one with a different connector), several small black rectangular components, a car charger, a small black device with a screen and buttons, and a long thin black object. The ruler is placed vertically on the left side of the components.
EUT View 2	 A close-up photograph of the EUT device, a black rectangular unit with a screen and buttons. The device is positioned next to a ruler. The screen displays the brand name 'Jzores'. Below the screen are several buttons labeled 'M', 'MODE/BACK', 'MUTE', 'EMERGENCY', 'LCD OFF', 'LOCK / WIP', and 'CONFIRM'. A camera lens is visible on the left side of the device.

EUT View 6

EUT View 7	 A black electronic device, possibly a handheld video camera or a rugged smartphone, is shown from a side-top perspective. It has a large screen on the front and a camera lens on the back. A ruler is placed below the device for scale, showing measurements in centimeters. The device is black with a matte finish.
EUT View 8	 A close-up view of the bottom of the device, showing various ports and connectors. From left to right, there is a USB port, a circular audio jack, a small circular port, and a USB-C port. The device is black with a matte finish.
