

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing the external components of the device (EUT) laid out on a blue surface. From left to right, there is the front face of the device, the back cover, and the battery. A black ruler is placed vertically to the left of the components, and a silver ruler is placed horizontally below them, providing a scale for the items.
EUT View 2	 A photograph showing the front face of the device (EUT) next to a ruler for scale. The device is black and has a circular lens at the top and a rectangular button below it. A black ruler is placed vertically to the left of the device, and a silver ruler is placed horizontally below it.

EUT View 3	 A photograph showing the back of a black mobile phone. The phone is positioned vertically next to a black ruler with white markings. The ruler is placed horizontally at the bottom and vertically on the left side. The phone's back features a large black rectangular area, likely a camera lens or sensor, and a small orange circular mark near the top. A small white label with a barcode is visible near the top. The background is a solid blue surface.
EUT View 4	 A photograph showing the front of a black mobile phone. The phone is positioned vertically next to a black ruler with white markings. The ruler is placed horizontally at the bottom and vertically on the left side. The phone's front features a large black rectangular area, likely a screen, and a small circular mark near the top. A small white label with a barcode is visible near the top. The background is a solid blue surface.
