

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing various external components of an Electronic Under Test (EUT) laid out on a blue textured surface. The components include a black plastic housing with a circular dial, a small black microphone, a black cable with a connector, and two circular black pads. A black ruler with white markings is placed vertically on the left side of the components for scale.
EUT View 2	 A close-up photograph of a black plastic component, likely the EUT housing, featuring a circular dial with five white markings. The component is positioned next to a black ruler with white markings for scale.
