

JIANGSU MULIN INTELLIGENCE ELECTRIC CO., LTD.

Model differences declaration letter

Model list: MP019-2UQSW-xx

MP019-2UQSW-xx and MP019(A)-2UQSW-xx represent two different series of models. (A) indicates touch buttons, while without (A) indicates rotary buttons. The xx in the model number represents the sequence code (00-99), which is only used to distinguish the appearance color
