

⚠ CAUTION

- ❏ Do Not Place Off-center — Center your phone when wirelessly charging to avoid malfunction.
- ❏ Avoid Spills — Keep the iPanel dry, esp. in the cupholder & USB ports, to prevent damage.
- ❏ No Foreign Object — When wireless charging, ensure no metal object on the back of the phone.

Name: Refrigeration Equipment
Model NO: RE209-1M-A01
Input: DC 24V --- 3A, Wireless Charging: 10W
USB Output: USB: 5V --- 2A
Type-C: 5V --- 2A
USB+Type-C: 5V --- 2A
Origin: Made in China
FCC ID: 2BENG-RE209 **FC**
