

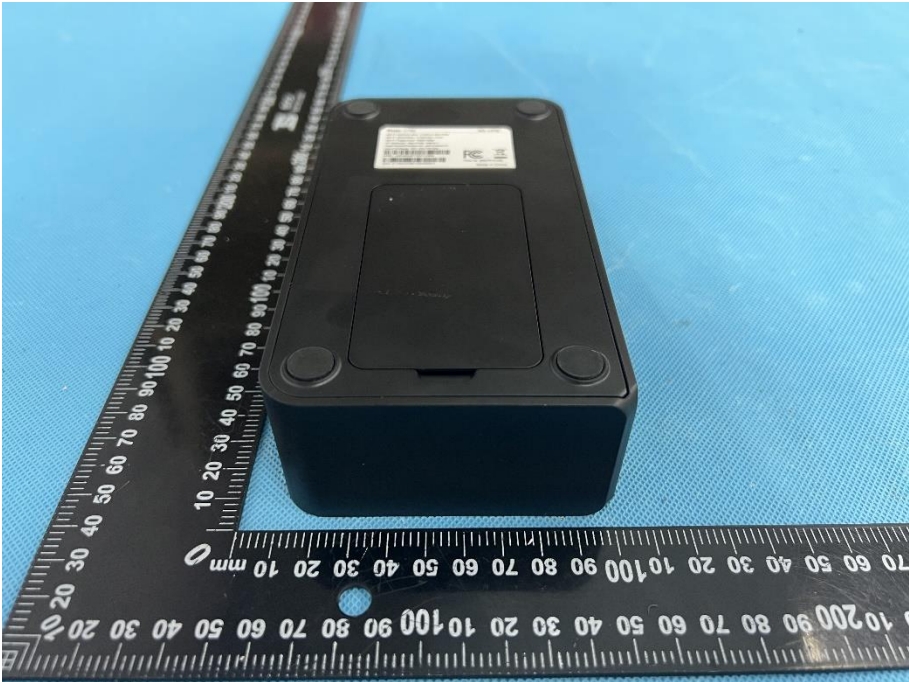

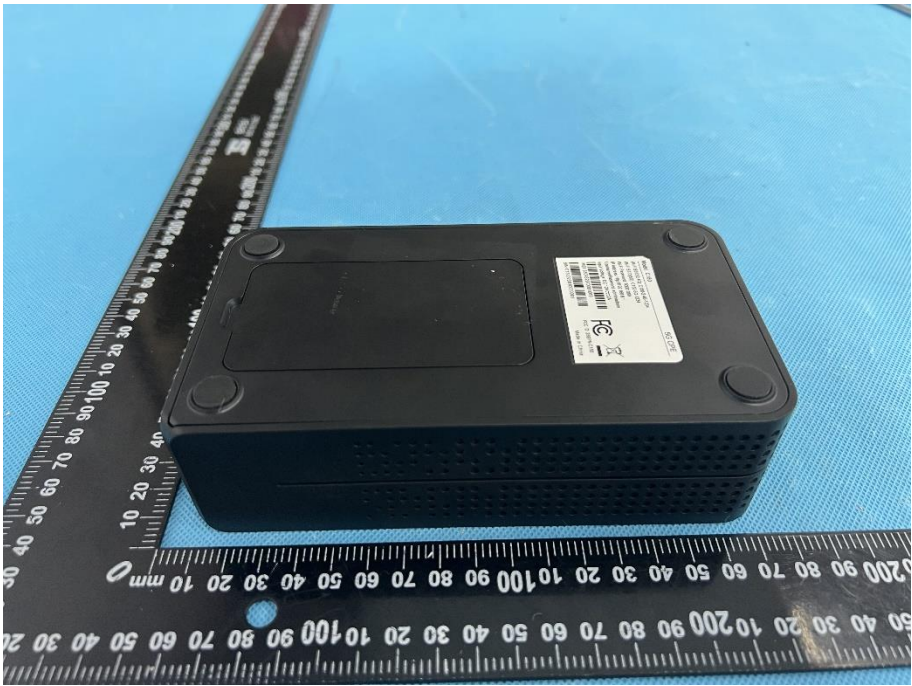

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph of a black rectangular external unit (EUT) placed on a blue textured surface. To the left of the device is a black L-shaped ruler with white markings in centimeters and millimeters. To the right of the device are its accessories: a white Ethernet cable, a black power cable, and a black power adapter. The device has a circular power button on the right side and four small status LEDs labeled 'Signal', '5G', 'WIFI', and 'LAN MODE' on the bottom left.
EUT View 2	 A close-up photograph of the same black rectangular external unit (EUT) on the blue textured surface. The black L-shaped ruler is positioned to the left of the device. The device's power button and status LEDs are clearly visible.

EUT View 3	 A black rectangular device is shown from a top-down perspective. It has a label on the back with technical specifications and a barcode. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler is oriented vertically, showing measurements from 0 to 100 mm.
EUT View 4	 A black rectangular device is shown from a top-down perspective, similar to View 3. It has a label on the back. The device is placed on a blue textured surface next to a black ruler with white markings. The ruler is oriented vertically, showing measurements from 0 to 100 mm.
