

FCC ID: **2BEPY-OSA-001**

Exhibit: Device (Host) Label / Label Location

Comfort 3D powered by ORB Innovations | Model OSN-001 | FCC ID 2BEPY-OSA-001 | Prismatik Dentalcraft Inc.

The Nightguard device (host) label LBL-014283_3 carries the statement "Contains FCC ID: 2BEPY-OSA-001." The radio module inside the appliance is 8 x 8 x 1 mm and is too small to bear the FCC ID, so in accordance with KDB 784748 the ID is displayed on the end product, on the product case label shown below and repeated in the user manual (IFU-012662). This filing is US FCC only - no IC / ISED marking.

Nightguard device label - LBL-014283_3 (as drawn)
