Solder Board-Component View 2	 A photograph of a small green printed circuit board (PCB) component, labeled 'View 2'. The component is rectangular with several circular holes and solder points. It is placed on a blue surface next to a metal ruler for scale. The ruler shows markings in millimeters, with the component spanning approximately from the 4mm to the 10mm mark.
Solder Board-Component View 3	 A photograph of the same green PCB component, labeled 'View 3'. This view shows the component from a different angle, highlighting its profile and the solder connections. It is placed on a blue surface next to a metal ruler. The component is positioned between the 4mm and 10mm marks on the ruler. Two red and black wires are connected to the component, and a black component is visible to its right.
