

The image shows the back of a black electronic device, likely a handheld scanner or similar handheld device. The device has a rectangular shape with rounded ends. On the left side, there is a large, square, silver-colored metal component, possibly a connector or a mounting point. There are several screws visible: four on the left side and two on the right side. The battery compartment is located in the center, with a white label inside. The label contains the text "FCC ID: 2BEXWAL7005" and "FCC 2023 / 09 / 14". The battery compartment is open, showing the internal battery and two coiled springs on either side. The device is placed on a light-colored, textured surface.
