

DEVICE LABEL

Size: 70*40mm 4-R1.0

Code: 139030200637 (078761002673) PET

This device complies with Part 15 of the FCC Rules.
Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) This device must accept any interference received,
including interference that may cause undesired
operation.

Please take attention that changes or modification not
expressly approved by the party responsible for
compliance could void the user's authority to operate the
equipment.
