Model Declaration Letter-ANNEX

Dear Regulatory Authority,

Model RP6 comes in two versions of styles, except for the following differences in the left side keypad board and appearance, all other PCB boards have the same PCB layout, schematic, and BOM. To meet different market demands.

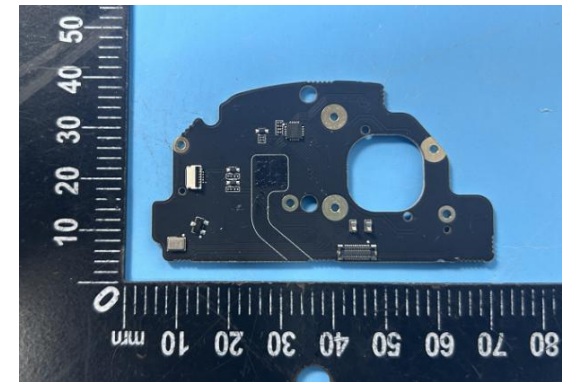

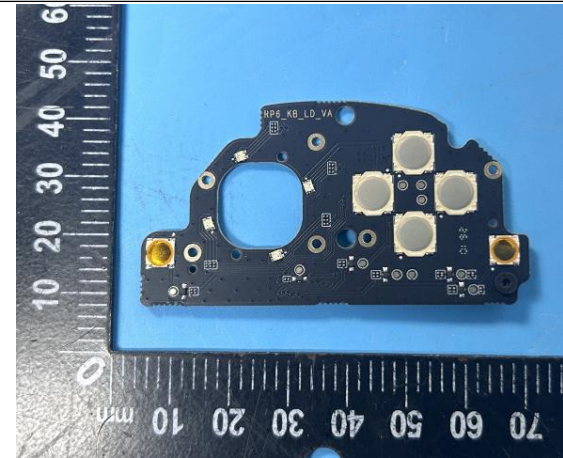

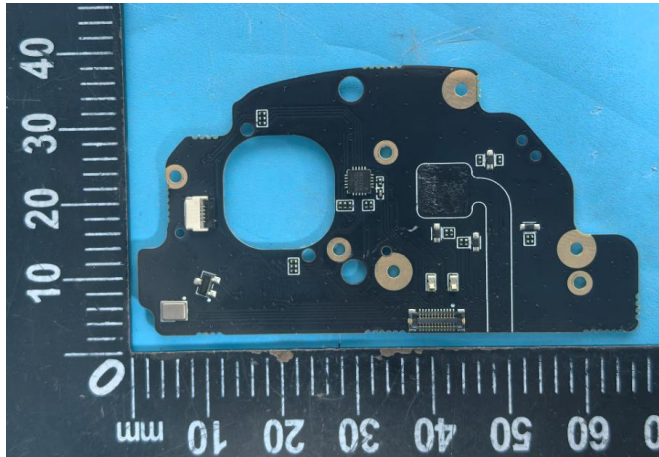

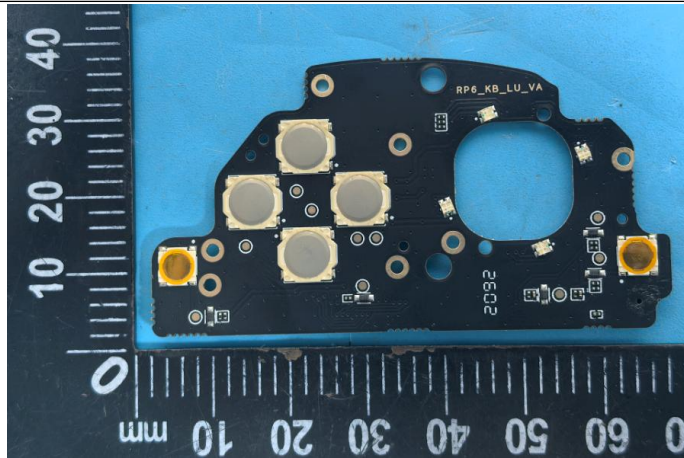

The differences list as below

Location	1#	2#
Appearance		

Shenzhen Moorechip Technologies Co.,Ltd

5th Floor, Education Industry Building, Zone 71, Xingdong Community, Xin'an Street, Bao'an District, Shenzhen,
Guangdong 518000, China

Left side keypad board

Above, Modifications that do not change the fundamental RF characteristics and that do not degrade the unwanted emissions of the certified product. Added corresponding difference tests. For details, please refer to the test report.

Sincerely,

Signatory
[yua LI, manager]

A handwritten signature in black ink, appearing to read 'Alva' or 'yua LI', written in a cursive style.
