| 2BFEN-RPC | Retroid Pocket Classic |

We,

| Applicant |               |                                                                                                                                                |
|-----------|---------------|------------------------------------------------------------------------------------------------------------------------------------------------|
|           | Company Name: | Shenzhen Moorechip Technologies Co., Ltd                                                                                                       |
|           | Address:      | 5th Floor, Education Industry Building,<br>Zone 71 Xingdong Community, Xin'an<br>Street, Bao'an District, Shenzhen,<br>Guangdong 518000, China |
|           | Phone:        | +86-755-86332878                                                                                                                               |

certify that the equipment for which authorization is sought is not "covered" equipment prohibited from receiving an equipment authorization pursuant to section 2.903 of the FCC rules. This includes the cybersecurity and anti-virus software produced or provided by Kaspersky Lab, Inc. or any of its successors and assignees.

We certify that, as of the date of the filing of the application, the applicant is not identified on the Covered List as an entity producing "covered" equipment.

If you have any questions, please feel free to contact us at the address shown below.

Sincerely,

2025-06-16
