“Information to User”

Note: This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.

- Increase the separation between the equipment and receiver.

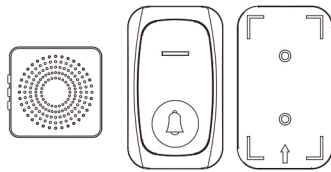

- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction

Important: Change or modifications not expressly approved by the manufacturer responsible for compliance could void the user's authority to operate the equipment.

Manual de instrucciones

Quite la hoja de aislamiento antes de usar.

1. Retire la hoja de aislamiento.
2. Ding dong, encendido.
3. Mantenga presionado el botón de emparejamiento Ding Dong durante aproximadamente 2 segundos, y la luz azul permanecerá encendida.
4. Presione el botón del timbre, Ding dong suena, el emparejamiento es exitoso.

Cuestiones que requieren atención:

Empareje el timbre y Ding Dong lo más cerca posible. Después del emparejamiento exitoso, la luz azul se apagará automáticamente. Si el emparejamiento falla, intente de nuevo. Si no toca el timbre dentro de los 10 segundos, el indicador Ding dong se apagará automáticamente.

Manuel d'instructions

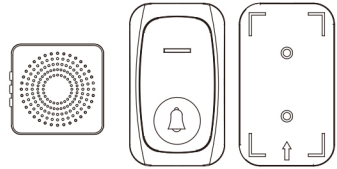

Retirez la feuille d'isolation avant utilisation

1. Retirez la feuille d'isolation.
2. Ding dong, mise sous tension.
3. Maintenez le bouton de jumelage Ding Dong appuyé pendant environ 2 secondes, et le voyant bleu restera allumé.
4. Appuyez sur le bouton de la sonnette, Ding dong sonne, l'appariement est réussi.

Points à noter:

Associez la sonnette et Ding Dong aussi près que possible. Après un appariement réussi, le voyant bleu s'éteindra automatiquement. Si l'appariement échoue, veuillez réessayer. Si vous ne sonnez pas la sonnette dans les 10 secondes, le témoin Ding dong s'éteindra automatiquement.

Bedienungsanleitung

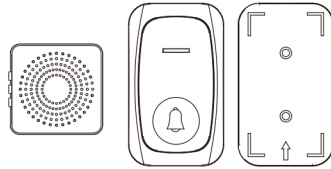

Entfernen Sie vor
Gebrauch die Isolierfolie

1. Entfernen Sie die Isolierfolie.
2. Ding Dong einschalten.
3. Drücken Sie den Ding Dong Koppelungsknopf für etwa 2 Sekunden lang, und das blaue Licht wird weiterhin leuchten.
4. Drücken Sie den Türklingelknopf, Ding Dong klingelt, die Kopplung ist erfolgreich.

Zu beachtende Punkte:

Koppeln Sie die Türklingel und Ding Dong so nah wie möglich. Nach erfolgreicher Kopplung wird das blaue Licht automatisch ausgehen. Wenn die Kopplung fehlschlägt, versuchen Sie es bitte erneut. Wenn Sie die Türklingel nicht innerhalb von 10 Sekunden läuten, wird der Ding Dong Indikator automatisch ausschalten.

Manuale di istruzioni

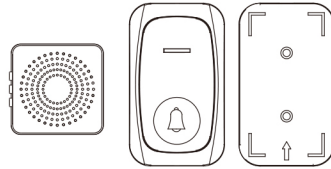

Rimuovere la pellicola
isolante prima dell'uso

1. Rimuovere la pellicola isolante prima dell'uso.
2. Ding Dong accensione.
3. Premere a lungo il pulsante di abbinamento Ding Dong per circa 2 secondi, e la luce blu rimarrà accesa.
4. Premere il pulsante del campanello, Ding Dong suona, l'abbinamento è riuscito.

Cose da tenere a mente:

Abbinare il campanello e Ding Dong il più vicino possibile. Dopo un abbinamento di successo, la luce blu si spegnerà automaticamente. Se l'abbinamento fallisce, si prega di riprovare. Se non si suona il campanello entro 10 secondi, l'indicatore Ding Dong si spegnerà automaticamente.

取扱説明書

使用前に絶縁シートを取り除
いてください

1. 使用前に絶縁シートを取り除いてください。
2. ディンドン電源をオンにします。
3. ディンドンのペアリングボタンを約2秒間長押しすると、青い光が点灯し続けます
4. ドアベルボタンを押すと、ディンドンが鳴り、マッチングが成功します。

注意事項:

ドアベルとディンドンをできるだけ近くでペアリングしてください。ペアリングに成功すると、青い光は自動的に消えます。ペアリングに失敗した場合は、再度お試しください。10秒以内にドアベルを鳴らさない場合、ディンドンのインジケータは自動的に消えます。
