SUBJECT: FCC Application for FCC ID: 2BFH8PLUG5LTE

To Whom It May Concern:

We, the undersigned, hereby state a certified module (FCC ID: XMR2021EC25AFDL) was integrated in our product (FCC ID: 2BFH8PLUG5LTE) following manufacturers integration guidelines. The RF output power and RSE are verified to be the same, thus, test data (OBW/CSE/PAPR/Frequency stability) were re-used from the original test report to the new test report for LTE bands that are not locked out by means of change of configurable parameters in firmware.
