

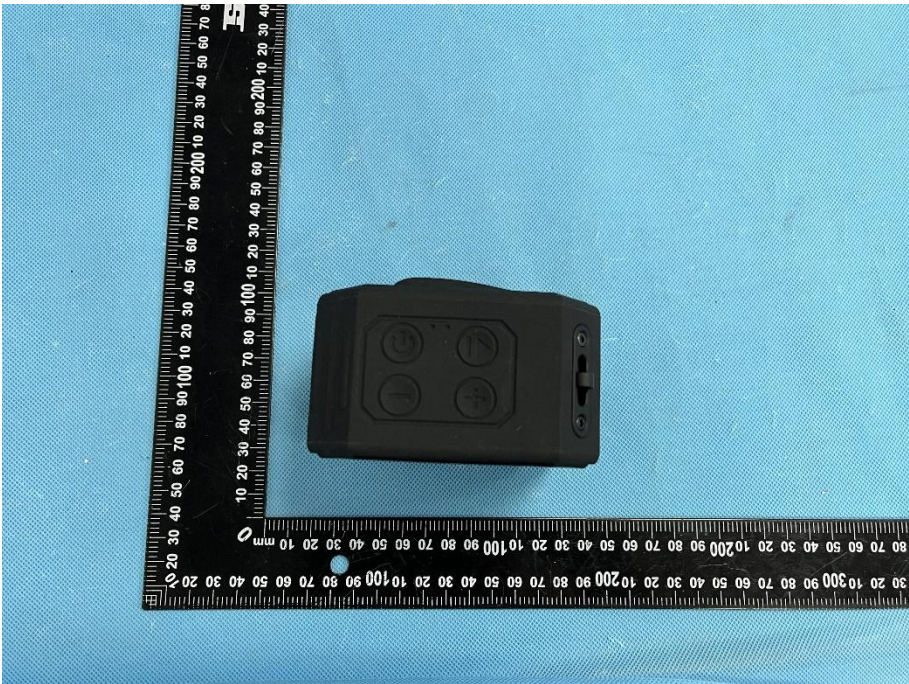

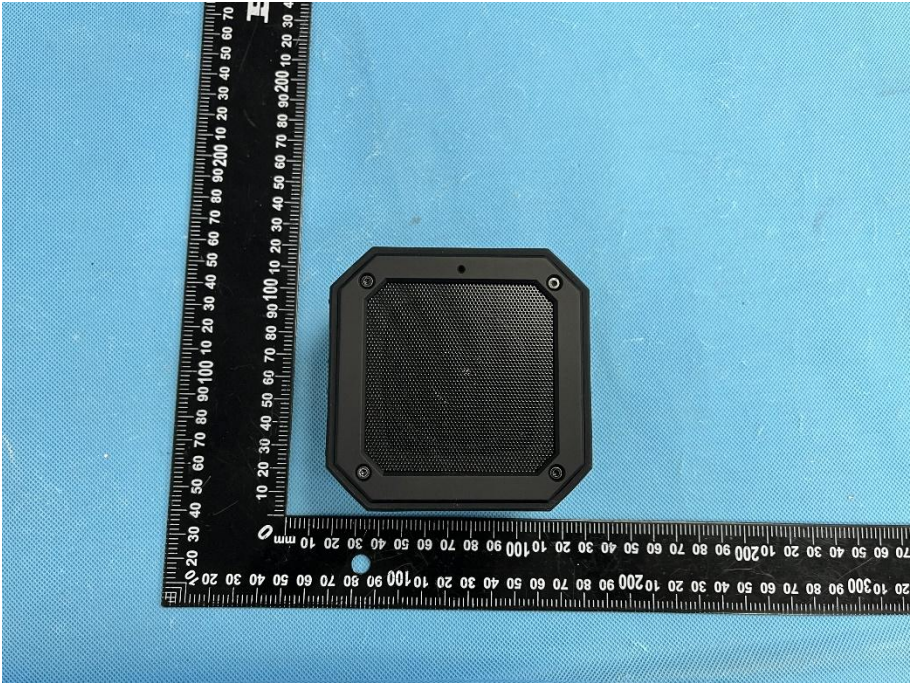

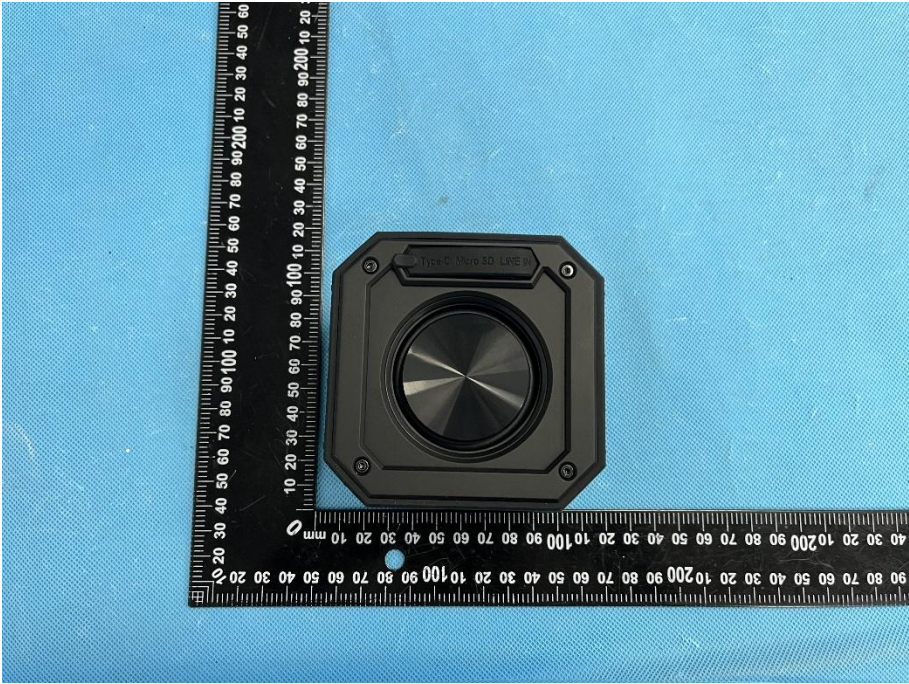

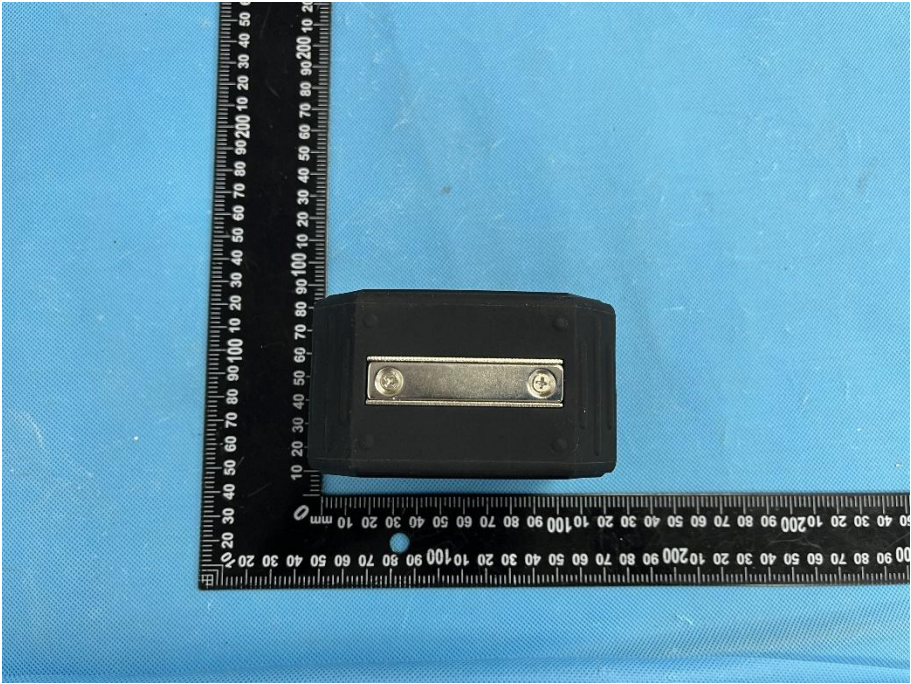

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A black rectangular electronic unit (EUT) is shown next to a black ruler. The unit has four circular buttons arranged in a 2x2 grid on its front face. To the right of the unit are two black cables: one with a 3.5mm audio jack and another with a USB-A connector. The ruler is marked in centimeters and millimeters, providing a scale for the device's size.
EUT View 2	 A black rectangular electronic unit (EUT) is shown next to a black ruler. The unit has four circular buttons arranged in a 2x2 grid on its front face. The ruler is marked in centimeters and millimeters, providing a scale for the device's size.

EUT View 3	 A black, square-shaped electronic component with a mesh grille, placed on a blue background next to a ruler for scale. The ruler shows dimensions in millimeters and centimeters.
EUT View 4	 A black, rectangular electronic component with a textured surface, placed on a blue background next to a ruler for scale. The ruler shows dimensions in millimeters and centimeters.

EUT View 5	 A black, octagonal electronic component with a central lens and four mounting holes, placed on a blue background next to a ruler for scale. The ruler shows dimensions in millimeters and centimeters.
EUT View 6	 A black, rectangular electronic component with a textured surface, placed on a blue background next to a ruler for scale. The ruler shows dimensions in millimeters and centimeters.

EUT View 7	 A black rectangular component is shown against a blue background. A silver metal plate is mounted in the center of the component. A ruler is placed vertically to the left of the component, showing measurements in millimeters. The component is approximately 20 mm wide and 15 mm high.
EUT View 8	 A close-up view of the bottom-left corner of the device. It shows a USB port, a circular port, and a speaker grille. The device is black and has a textured surface.
