EUT View 10

EUT View 11	 A black electronic device, likely a handheld calculator or small keyboard, is shown from a top-down perspective. It features a numeric keypad (0-9), function keys (F1-F12), and navigation buttons (arrow keys, Home, End, PgUp, PgDn). The device is placed on a blue textured surface next to a black L-shaped ruler for scale. The ruler has markings in centimeters and millimeters.
EUT View 12	 A black electronic device, similar to the one in View 11, is shown from a top-down perspective. It features a numeric keypad (0-9), function keys (F1-F12), and navigation buttons (arrow keys, Home, End, PgUp, PgDn). The device is placed on a blue textured surface next to a black L-shaped ruler for scale. The ruler has markings in centimeters and millimeters.

EUT View 13	 A top-down view of a black, rectangular wireless multi-function numeric keypad. The keypad is positioned on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in both centimeters (0 to 100) and millimeters (0 to 10). The keypad has a silver label in the center with the following text: "SOMAA", "Wireless Multi-Function Numeric Keypad", "Model No.: AR-KB25", "Voltage: 3.7V-4.2V", "Current: <2.5mA", "CE", "RoHS", and "MADE IN CHINA". There are four small circular indentations at the corners of the keypad.
EUT View 14	 A side view of the black wireless multi-function numeric keypad. The keypad is shown from the side, highlighting the USB-C port located on the bottom edge. The keypad is resting on a blue textured surface.
