

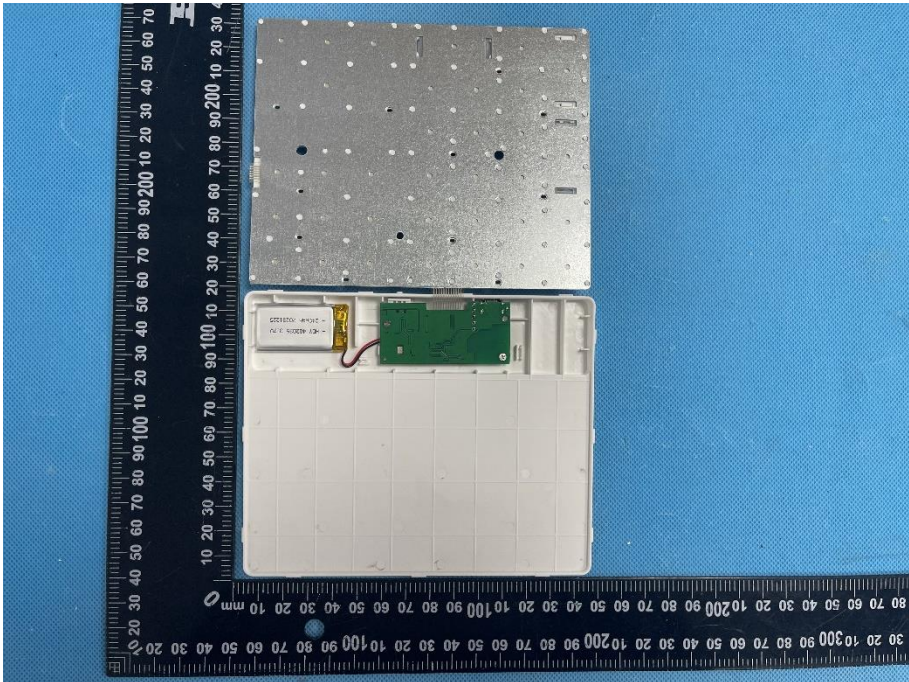

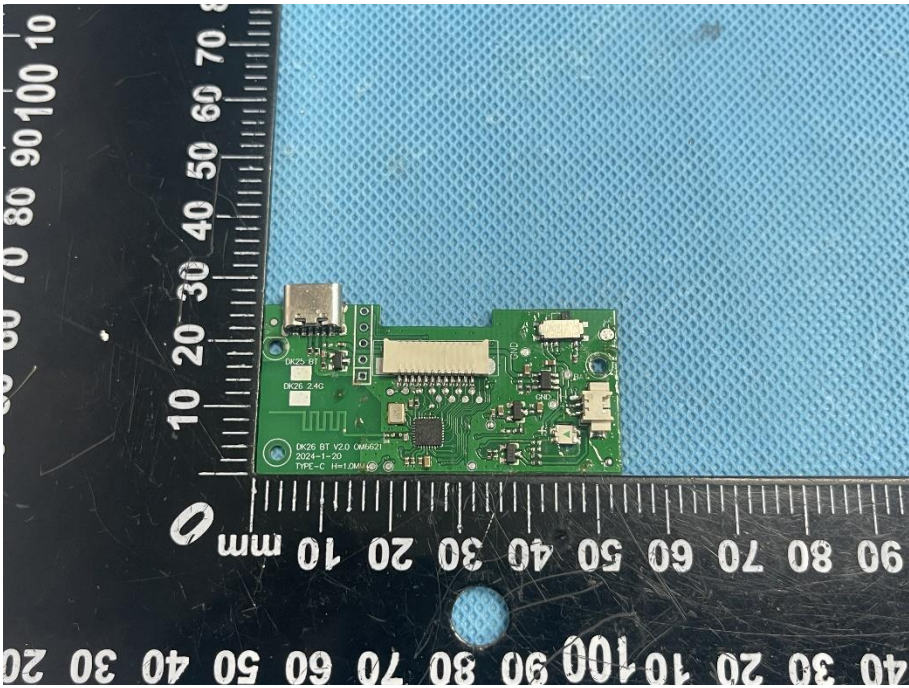

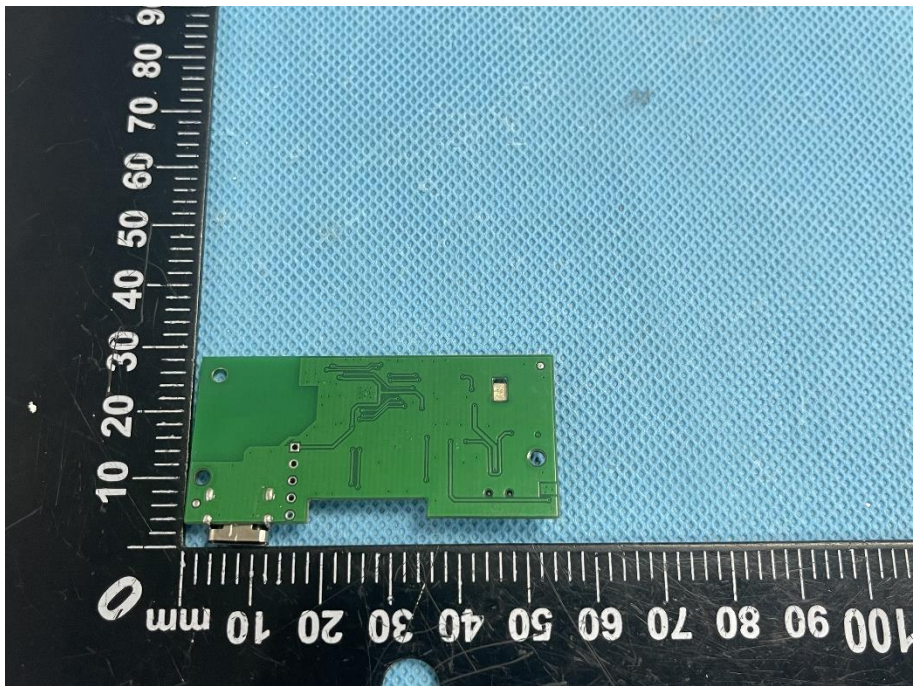

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View	 A photograph showing the internal components of a white plastic housing. A green printed circuit board (PCB) is visible, connected to a battery. A silver metal shield is positioned above the PCB. A black ruler with white markings is placed horizontally below the components for scale.
Solder Board-Component View 1	 A close-up photograph of a green PCB component. The component features a USB Type-C connector, various surface-mounted components, and a gold-plated edge connector. A black ruler with white markings is placed horizontally below the component for scale.
