

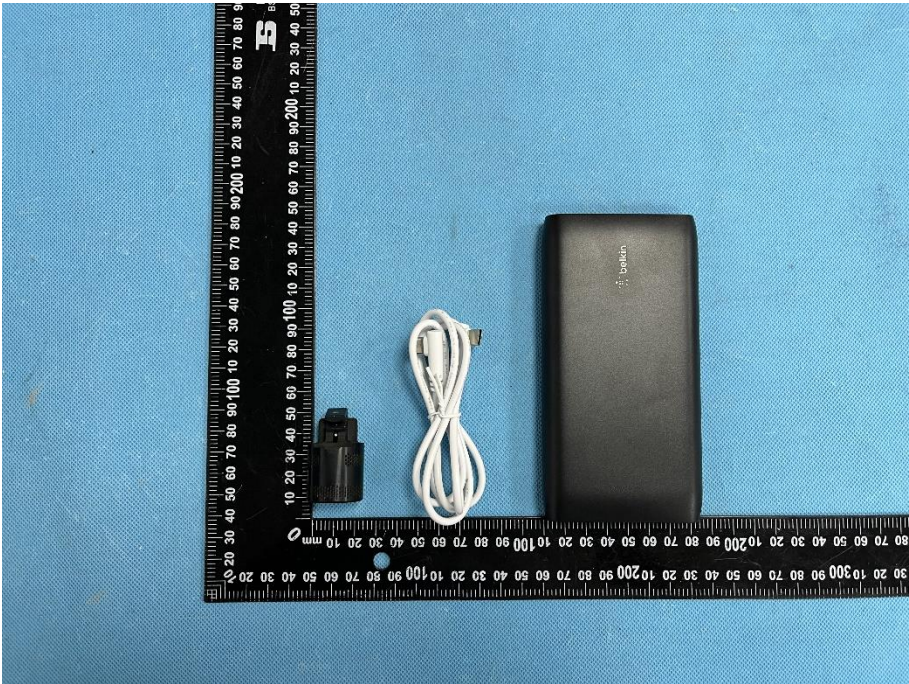

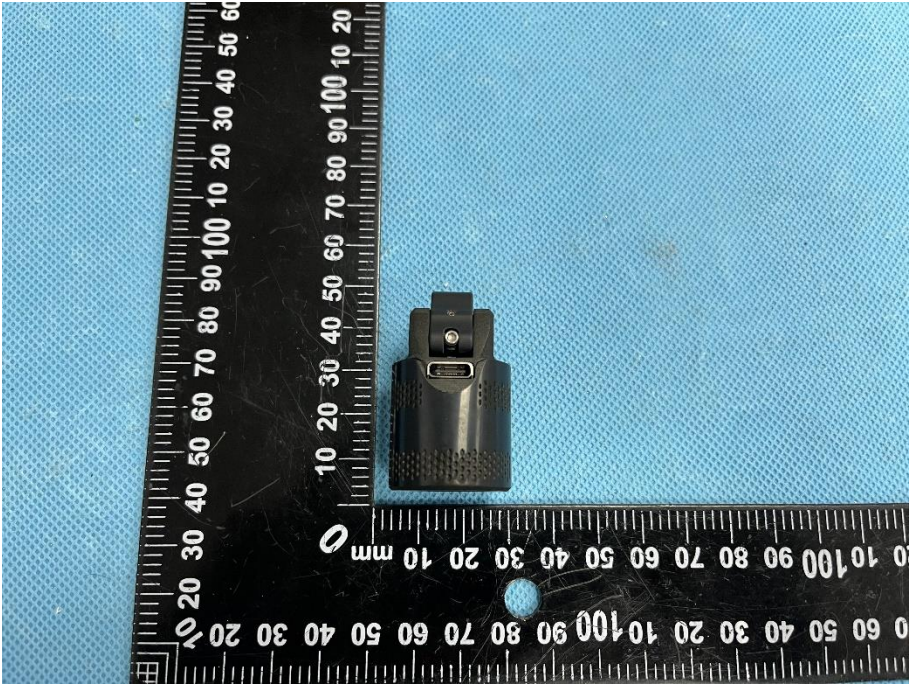

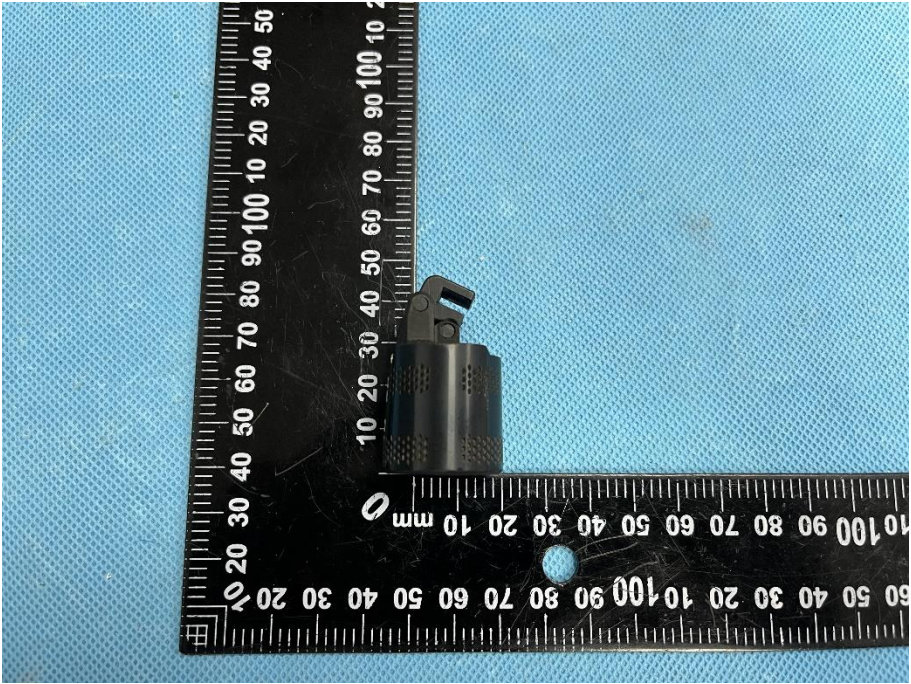

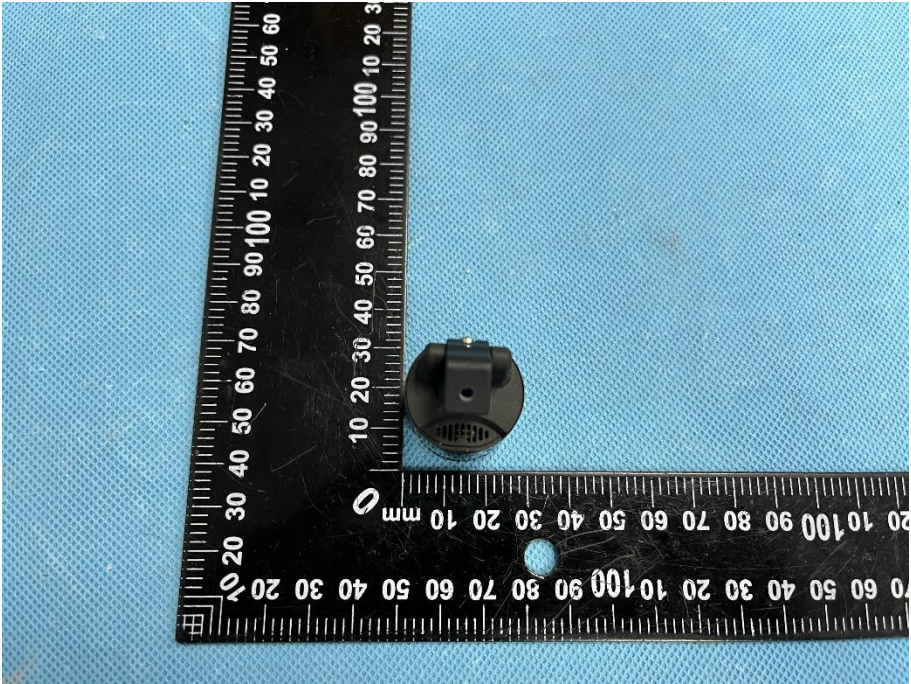

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing three items on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in centimeters and millimeters. The items are a small black rectangular component on the left, a coiled white cable in the center, and a larger black rectangular device on the right. The larger device has some faint text on its top surface.
EUT View 2	 A close-up photograph of the small black rectangular component from the previous view. It is positioned next to a black ruler with white markings for scale. The component has a textured surface and a small protrusion on top.
