Spofford, NH - Dec. 08, 2025

To whom it may concern,

We hereby respectfully submit the application for a Class II Permissive Change (C2PC) of the Mk6 Air Ground Penetrating Radar (GPR) system under the provisions of 47 CFR Part 15 Subpart F and FCC Waiver Order No. DA 25-58 dated January 16, 2025 (ET Docket No. 24-209). The system consists of the GPR sensor

Product name:	Mk6 Air
Product model:	Air 2124
FCC ID:	2BFSC-M6A10

The Mk6 Air was tested with *Air 2124* at the Advanced Compliance Laboratory test facility in Hillsborough, NJ in 2025 and showed compliance with the emission limits under the provisions of 47 CFR Part 15 Subpart F and FCC Waiver Order No. DA 25-58. The software modifications introduced allow the GPR to operate over a larger frequency range as permitted by DA 25-58. Further details are enclosed in the operational description of the system.

Sincerely,

Kent Martin
President
