Operation Manual

Product description

Thank you for choosing our magnetic wireless charger. Please read this manual carefully and keep it safe for future use.

1. Adjustable Stand	3. Silicone Pad
2. USB-C Port	

Device connected to power

Connect the Type-C charging port of the device to a power adapter.

⚠️ For optimal performance, please use a power adapter of 20W or higher, car adapter or your vehicles built-in USB-C port

Charge your phone wirelessly

After connected to the power adapter, put the device on the back of the phone. It will magnetically snap and start to charge wirelessly.

Charging Precautions

- This device is not compatible with non-MagSafe® phones or cases.
- Do not use an adapter less than 5W. For better performance, it is recommended to use an adapter 20W or above.
- Wireless charging is more convenient, but limited by the current wireless charging technology, the charging speed will be slower than wired charging.
- High temperatures will decrease charging speed and limit power, which is a physical phenomena for all chargers.
- It is recommended to use it below 25°C/77°F for better performance.
- Both the phone case and the distance between phone and charger will affect charging speed, which is decreased by the thickness of the case.

Safety Precautions

- Store this product in a cool dry place.
- Do not store this product in a high temperature or humid environment.
- The operating temperature should be between 0°C and 52°C (32°F and 125°F).
- If this product needs service or repair, please contact ROKFORM at 855-765-3676.

Tampering may result in a fire or risk of personal injury.

- The product may generate heat during charging.
- Do not expose this product to heat or fire.
- Do not use harmful chemicals or detergents to clean this product.
- Improper use, dropping or excessive force may cause damage to this product.

Compatible devices

Compatible devices for magnetic wireless charging:
iPhone 12/13/14/15/16 series and above models

Specification

Model: 339301
Type-C input: 9V/2.2A
Wireless output: 5W, 7.5W, 10W, 15W
Transmission distance: ≤3-6mm
Charging efficiency: ≥75%
Size: 62.5 x 62.5 x 12.8mm

Standard accessories

Magnetic Wireless Charger

USB-C Cable

Product manual

FCC ID:

2BFSK-339301-V2

FCC WARNING:

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

To maintain compliance with FCC's RF Exposure guidelines, This equipment should be installed and operated with minimum distance between 20cm the radiator your body. Use only the supplied antenna.

FRONT SIDE

Changes or modifications to this product not authorized by ROKFORM could void the electromagnetic compatibility (EMC) and wireless compliance and negate your authority to operate the product. This product has demonstrated EMC compliance under conditions that included the use of compliant peripheral devices and shielded cables between system components. It is important that you use compliant peripheral devices and shielded cables between system components to reduce the possibility of causing interference to radios, television sets, and other electronic devices. Recycle electrical waste in an approved electrical waste recycling center. Check the internet for a recycling center in your area or you can call us at 855-765-3676 and we will help you find one. This product complies with the US Department of Energy's Level VI energy efficiency regulation. Responsibility party contact: Rokform, LLC 16180 Scientific Irvine, CA 92618 USA 1-855-765-3676 Do not expose this product to heat or flame, do not burn or melt. This product is for indoor use only.	This appliance is safeguarded by double insulation and does not require a safety connection to electrical earth (ground). This product complies with the European radio interference requirements. Do not throw in trash or landfill, please bring to an approved electronic waste recycling center. This device complies with part 15 of the FCC Rules. (See FCC statement on this form) This product is backed by a 2-year warranty. For more information on our warranty policy, please see the following page: https://www.rokform.com/pages/warranty	OUR RESPONSIBILITY FOR DEFECTIVE PRODUCTS IS LIMITED TO REPAIR OR REPLACEMENT AS SET FORTH IN THIS WARRANTY STATEMENT. (a) Who May Use This Warranty? This limited warranty extends only to the original purchaser from the WWW.ROKFORM.COM Website or a Company authorized reseller. It does not extend to any subsequent or other owner or transferee of the product or any transferee or other beneficiary of the service. (b) What Does This Warranty Cover? This limited warranty covers, during the Warranty Period (as defined below), defects in materials and workmanship. (c) What Does This Warranty Not Cover? This limited warranty does not cover any damages due to: (i) transportation; (ii) storage; (iii) improper use; (iv) failure to follow the product instructions or to perform any preventive maintenance; (v) modifications; (vi) combination or use with any products, materials, processes, systems or other matter not provided or authorized in writing by the Company; (vii) unauthorized repair; (viii) normal wear and tear; or (ix) external causes such as accidents, abuse, or other actions or events beyond our reasonable control.	This limited warranty does not apply to: (i) cosmetic damages; or (ii) any products not produced by the Company, even if bundled with the Company's products. (d) What is the Period of Coverage? This limited warranty starts on the date of your purchase and lasts for TWO YEARS (the "Warranty Period"). The Warranty Period is not extended if we repair or replace a warranted product or re-perform a warranted service. We may change the availability of this limited warranty at our discretion, but any changes will not be retroactive. (e) What Are Your Remedies Under This Warranty? With respect to any defective product during the Warranty Period, we will, in our sole discretion, either repair or replace such product (or the defective part) with new or refurbished parts free of charge. (f) How Do You Obtain Warranty Service? Please send the following information to info@rokform.com: - COPY OF PROOF OF PURCHASE - SHIPPING ADDRESS AND FULL NAME PLEASE TYPE - SHIPPING INFORMATION - PHOTO OF DAMAGED ITEM
