

Nameplate content:
Product Name: Industrial wireless remote control
FCC ID: 2BFVX-DHQ-20F
Product model: DHQ-J6FJM
Working voltage: 3.7V
Anti interference: 50-256 frequency points, each set of ID identification numbers is unique
Other parameters: open space of 100 meters, working temperature of -40-+85 ° C, frequency band of 433.92MHz
