Side View

A photograph of a metal punch tool, likely a center punch, positioned vertically next to a white ruler for scale. The tool has a black, T-shaped handle at the bottom and a long, thin, silver-colored metal shaft extending upwards. The shaft is tapered slightly towards the tip. The ruler is marked in centimeters (0 to 15) and inches (0 to 1). The punch tool's length is approximately 10 cm. The background is a plain, light-colored surface.
