WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 99-2433587. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

Taxpayers request an EIN for their business. Some taxpayers receive CP575 notices when another person has stolen their identity and is opening a business using their information. If you did **not** apply for this EIN, please contact us at the phone number or address listed on the top of this notice.

When filing tax documents, making payments, or replying to any related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

A limited liability company (LLC) may file Form 8832, *Entity Classification Election*, and elect to be classified as an association taxable as a corporation. If the LLC is eligible to be treated as a corporation that meets certain tests and it will be electing S corporation status, it must timely file Form 2553, *Election by a Small Business Corporation*. The LLC will be treated as a corporation as of the effective date of the S corporation election and does not need to file Form 8832.

If your utility service is disconnected, a Service Connection charge, ranging from \$29.00 to \$205.00 may be required. A deposit may be required to re-establish your credit whether or not your service is reconnected. The Commercial Overdue Notice includes previous charges unpaid and the current charges that are overdue when the notice is generated.

This notice does not stop disconnection of service for any other unpaid bill. If any charges are in a payment arrangement, please pay by the scheduled due date(s) to avoid disconnection. Your utility service will not be disconnected for unpaid amounts for other services. However, if you do not pay the total past due amount, your other services may be discontinued, you may be subject to legal action, or both. Southern California Edison will determine how payments are applied.

**Why You Received This Letter**

You may have California withholding responsibilities.

We received information that your business entity may be doing business in California. Therefore, we are notifying you of your potential resident and nonresident withholding responsibilities.

**What You Need to Do**

**Nonresident Withholding**

If your business entity pays California source income to nonresidents of California, you must withhold and send the Franchise Tax Board (FTB) 7 percent of all payments you make to each nonresident that exceed \$1,500 in a calendar year. (California Revenue and Taxation Code (R&TC) Section 18662)

If your business entity does not pay California source income to nonresidents of California, this responsibility does not apply to you.

**Payments Subject to Nonresident Withholding**

Payments subject to nonresident withholding include, but are not limited to:

- Nonwage payments for services performed in California.
- Lease, rent, royalty, winnings, and payout income earned in California.
- Distributions from California pass-through entities (estates, trusts, partnerships, limited liability companies, S corporations).

**Exceptions to Nonresident Withholding**

Generally, you do not need to withhold if any of the following exceptions apply. The payee:

- Is qualified with the California Secretary of State to do business in California.
- Has a permanent place of business in California.
- Is an individual who is a California resident.
- Is a tax-exempt entity under California or federal law.
- Is a government entity.
- Provides only goods or materials.
- Received a withholding waiver from FTB.
- Meets one of the other exceptions listed on California Form 590, *Withholding Exemption Certificate*.

Other exceptions may apply. Refer to FTB Pub. 1017, *Resident and Nonresident Withholding Guidelines*, for details on those exceptions.

**Backup Withholding — Applies to Both Residents and Nonresidents**

Generally, California follows federal law and requires backup withholding on payments to a payee if the payee:

- Does not provide a taxpayer identification number.
- Provides an invalid taxpayer identification number.
- Does not certify an exemption from backup withholding.
