

a) The Responsible (located within the United States) party information:
FOURSTAR GROUP USA INC , (ADDRESS: 925 GRANT ST., AKRON,
OH, 44311-2437, USA) , (216) 514-0980

b) Warning: Changes or modifications not expressly approved by the party
responsible for compliance could void the user's authority to operate the
equipment.

c) NOTE: This equipment has been tested and found to comply with the
limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These
limits are designed to provide reasonable protection against harmful interference
in a residential installation. This equipment generates, uses and can radiate radio
frequency energy and, if not installed and used in accordance with the
instructions, may cause harmful interference to radio communications.

d) However, there is no guarantee that interference will not occur in a particular
installation. If this equipment does cause harmful interference to radio or
television reception, which can be determined by turning the equipment off and
on, the user is encouraged to try to correct the interference by one or more
of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to
which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to
the following two conditions: (1) this device may not cause harmful
interference, and
(2) this device must accept any interference received, including interference
that may cause undesired operation.

WARNING: 1) There will be about 10 seconds of power-off delay when the
alligator leaves the water surface. Please pay attention to safety during use and
avoid touching the propeller to prevent injury!

2) After the positive and negative electrodes on the bottom of the boat leave
the water surface, they will be energized when touched by two fingers. Please
be careful to avoid misoperation and potential safety hazards!
