

LED Lantern(JADE) RY-08

INSTRUCTION MANUAL

Rated power(W)	: Light 3.2W Speaker 3W x 2
Rated voltage(V)	: DC4.2V 0.7A
Dimming (W)	: No
Colour temp(K)	: 3000K Warmwhite
Colour Rendering Index(Ra)	: Ra≥80
Luminous flux(Lm)	: 30lm~130lm~260lm
USB input	: Type-C 5V/1A
Battery type	: Lithium battery
Battery capacity(mAh)	: 3.7V 5200mAh
Charging time(H)	: ≥7hours
Endurance time(H)	: Light>10H Speaker>12H Light+Speaker>5H
Working temp(°C)	: 0°C~45°C
Storage temperature (°C)	: -20°C~60°C
Working humidity(%)	: ≤95%
Storage condition	: Dry ventilated place
Whole light weight(g)	: 475g(Include battery+-10%)
Size	: 116*186mm
Light body materials	: Plastic + Bamboo
IP rating(IP)	: IP44

LED Light button

1. Long press the light control button to turn on/off the light. The default light level is level 1 when the light is turned on.
2. Short press the light control button to cycle through the following light effects
 - ① Level 1 3000K light source (dark level)
 - ② Level 2 3000K light source (mid-level)
 - ③ Level 3 3000K light source (bright level)
 - ④ Level 4 - RGB amber level: When Bluetooth is not turned on, not connected, or Bluetooth is not playing, it will show a breathing light effect. When Bluetooth music is playing, it will show a rhythmic effect. When the music is paused, it will be in a low-light state.
 - ⑤ Level 5 - Multi-color RGB rhythmic level: When Bluetooth is not turned on, not connected, or Bluetooth is not playing, RGB multi-color cyclic gradient changes. When Bluetooth music is playing, RGB and music will automatically generate rhythm.
3. When the battery voltage is lower than 3.2V, the light will automatically turn off and wait for charging. Please turn off the light when charging.

Notice: long press to turn on/off, short press to switch modes;
When the battery voltage is below 3V, light will turn off automatically and wait for charging; plz turn off light when charging;

USB

Type-C 5V adaptor (not included)
Do not use unmatched adaptor

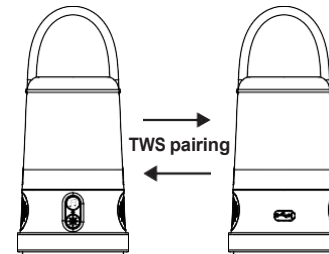

The red indicator flickers say power charging, green light going on say full with power.

Bluetooth speaker button

Bluetooth name	: JADE
Bluetooth version	: BT 5.1 BR EDR
Speaker power	: 4Ω 3W *2
Valid distance	: ≤10 m
Speaker type	: Full frequency
Soundtrack	: Two-channel stereo

Total harmonic distortion : < 0.3%

Signal to Noise Ratio : >85dB

- A. Long press speaker button to turn on Bluetooth;
- B. Short press to pause or play music;
- C. When playing music, blue indicator shine slowly; when pausing music, blue indicator steady on; when Bluetooth disconnected, blue indicator shine quickly;
- D. When Bluetooth disconnected for 5 mins, it will automatically turn off;
- E. When low voltage, there is a sound prompt and Bluetooth will automatically turn off.

Two audio devices enter the pairing state after powering on. Double-click the power button of any device to enter the "TWS search slave device and automatically pairing state". After TWS pairing is successful, the indicator light of one device flashes and the indicator light of the other device stays on. After the mobile phone is connected to the TWS device, one device is the left channel and the other device is the right channel, and the light control action is synchronized.

When one device is already connected to Bluetooth, if you need to open another device for TWS pairing, you can first double-click the power button of the device that is already connected to the mobile phone, disconnect the mobile phone Bluetooth connection, and then perform TWS pairing.

FCC Compliance Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

NOTICE TO CONSUMER

This warranty gives you specific legal rights, and you may have other rights, which may vary from province to province. The provisions contained in this warranty are not intended to limit, modify, take away from, disclaim or exclude any statutory warranties set forth in any applicable provincial or federal legislation.

This Class B digital apparatus complies with Canadian CAN ICES-3(B)/NMB-3(B).

Notes

1. Only for DC+5V adaptor.
2. Do not be directly exposed to rain water.
3. To prevent it from battery damage as overfall, please charge timely when power off.
4. Please charge once per three months if not use for quite some time.
5. To prevent it from water and dust contaminant, please cover the USB output interface with waterproof film when it not in use.
6. In order to avoid accidents, please do not put it into fire.
7. Please store in a dry and ventilated place.

Warranty card

Product name	LED Lantern(JADE)	Model No.	RY-08	The customer information	
The factory code	Date of production		Name		Telephone
Inspector	Inspection conclusion		Address		Purchase date

1. This product from the date of sale and warranty for one year.
2. The company will provide you with high quality after-sales service.
3. If the user due to damage caused by man-made factors, the company is required for a maintenance repair charge.
4. Please keep this card, we will use this as warranty basis.
