Use tips:

Use tips:

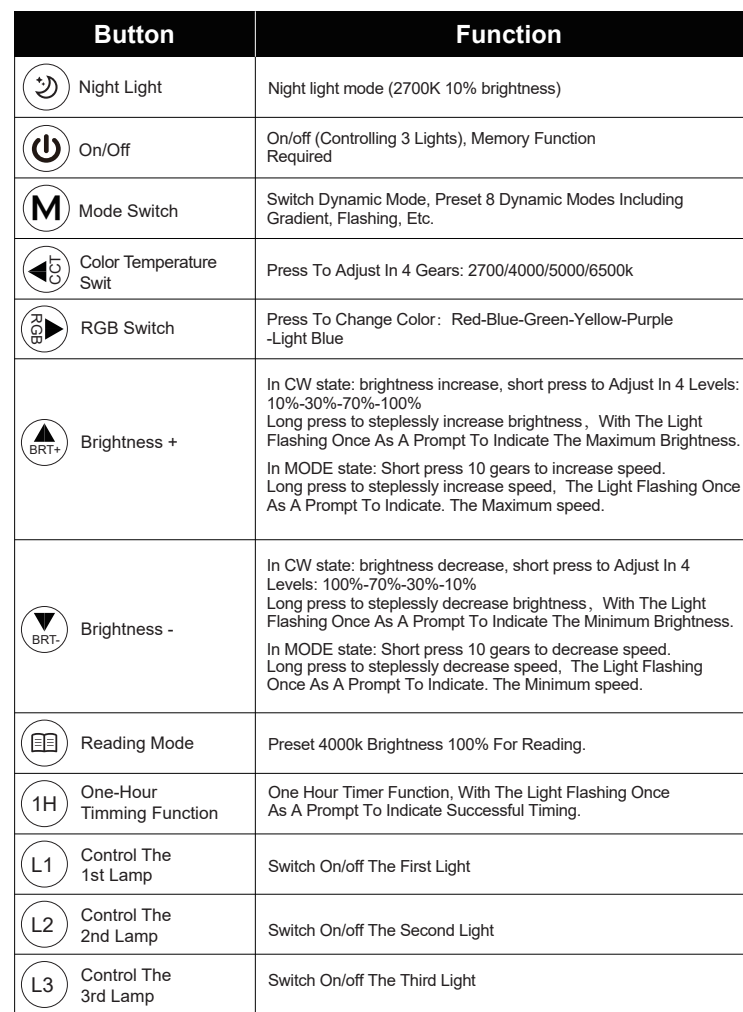

- *The remote controller requires two AAA batteries.
- *Pairing is not required before using.

If the remote control fails to work, we suggest you to re-pair with the following methods:

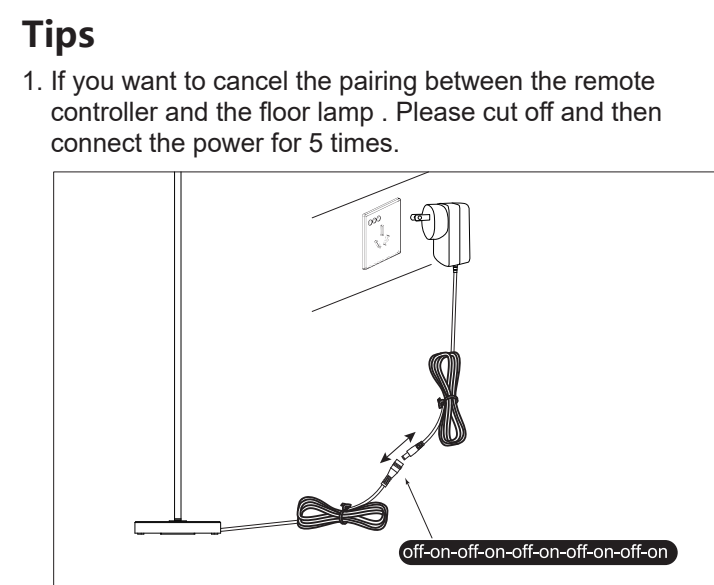

1. Plug the power.
2. Unplug the power cord five times in a row and reconnect it , the floor lamp will flash quickly, and then you can Long press the " ☺ " button of the remote controller about 3 seconds within 1 minutt until the lights flash quickly.

*The built-in magnet on the back of the remote controller attracts iron so it can be easily attached to floor lamp pole when not in use.
