

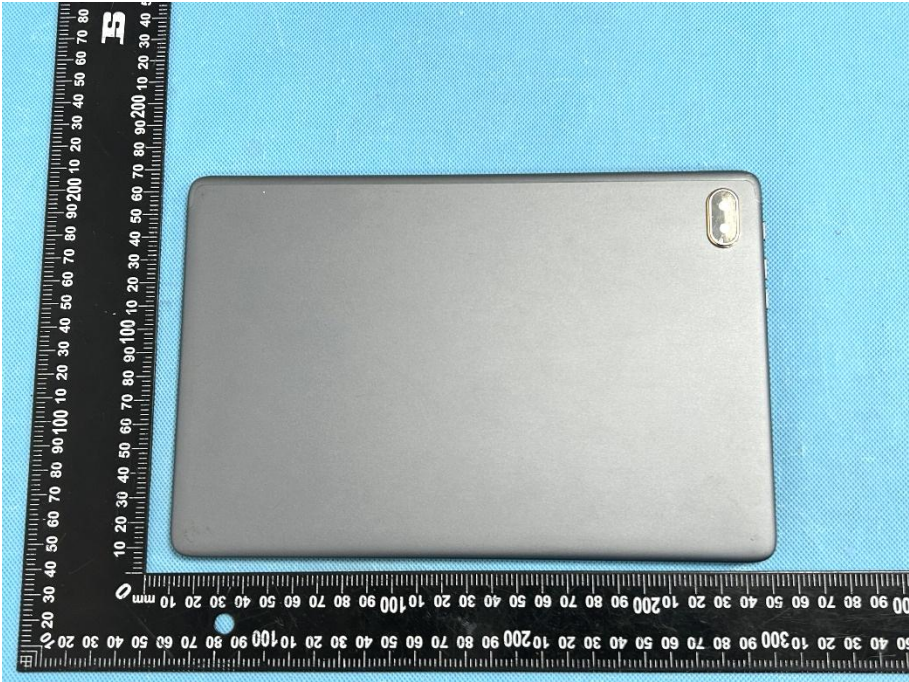

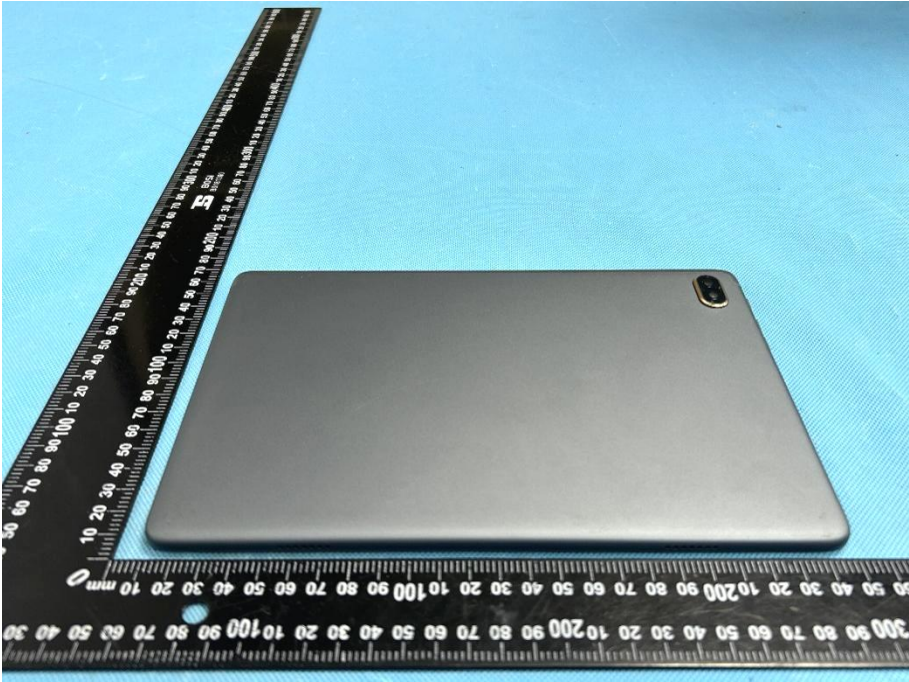

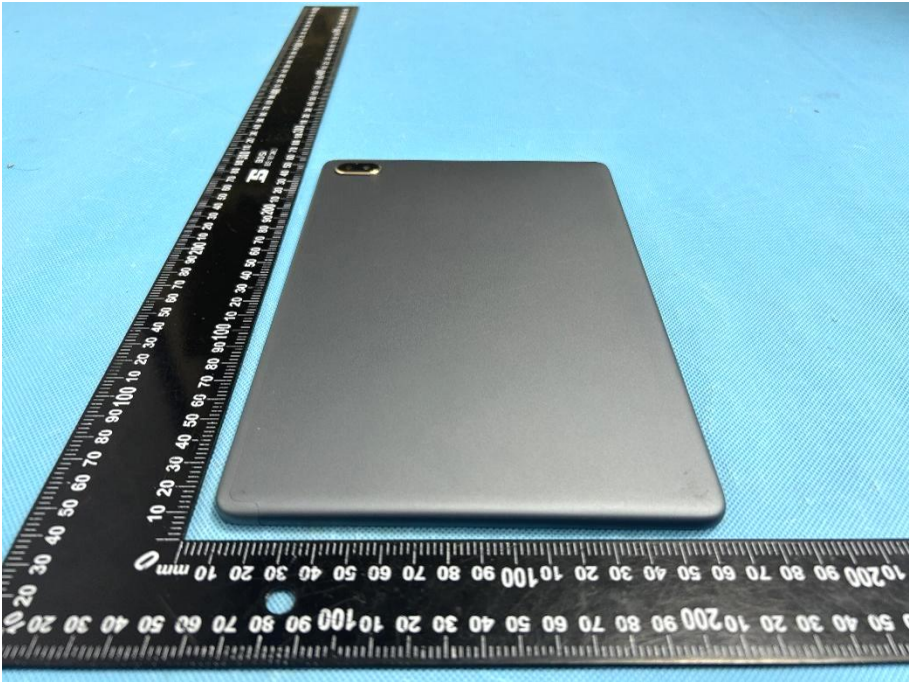

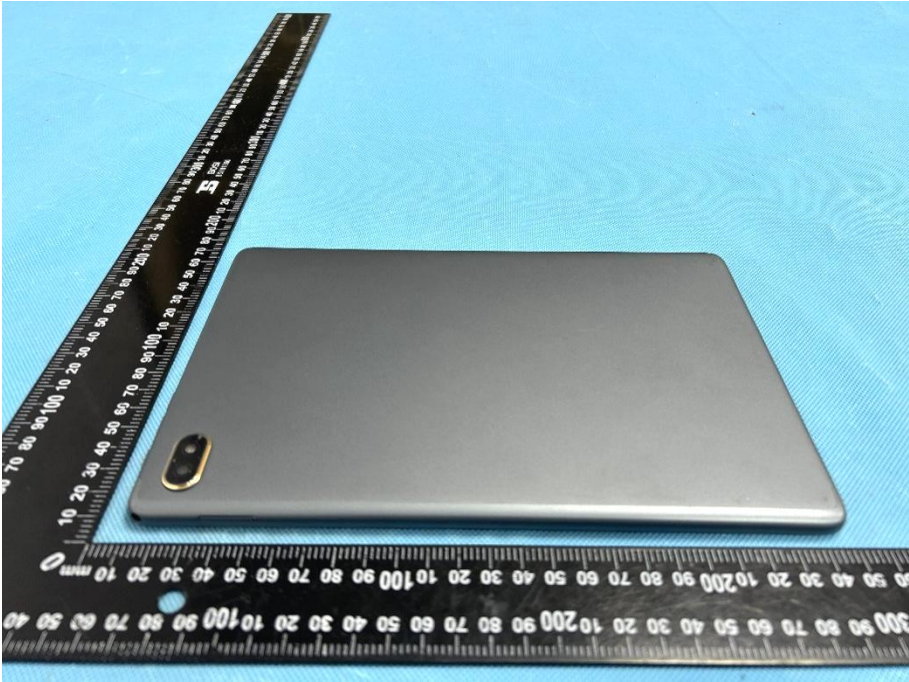

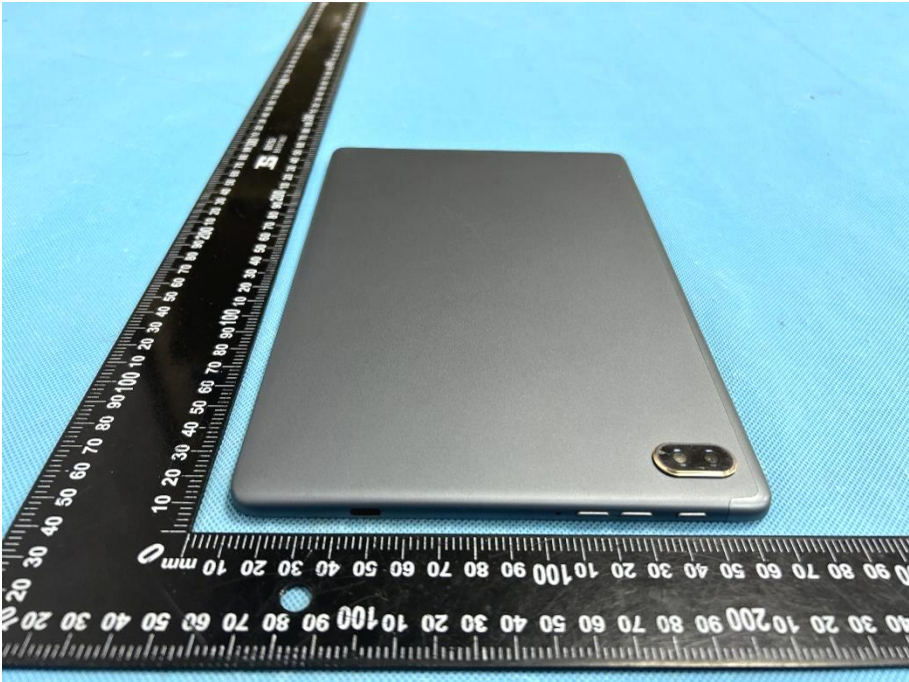

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A black tablet device is shown lying flat on a light blue textured surface. Above the tablet, a white charging cable is coiled, and a white power adapter is placed. To the left of the tablet, a black ruler with white markings is positioned vertically, showing measurements in centimeters and millimeters. The tablet's screen is dark and reflects some light.
EUT View 2	 A black tablet device is shown lying flat on a light blue textured surface, similar to View 1. A black ruler with white markings is positioned vertically to the left of the tablet. The tablet's screen is dark and reflects some light.

EUT View 7	 A photograph showing the back of a dark grey smartphone lying on a light blue textured surface. A black ruler with white markings is placed horizontally next to the phone for scale. The ruler shows measurements in both centimeters and millimeters. The phone's camera module, featuring two lenses and a flash, is visible in the bottom right corner of the device's back.
	 A photograph showing the side profile of the same dark grey smartphone. The phone is lying horizontally on a light blue textured surface. The image highlights the slim design of the device, showing the side buttons and the charging port at the bottom.
