

Request for Supersede

TO: Federal Communication Commission

Please kindly be notified that we, TP-Link Systems Inc.
herein request to supersede the FCC ID: 2BH7FBE77 for the following reason:

The power setting in operation description doesn't match the test result of Deco BE77, due to the typo. We are willing to correct it and replace.

TP-Link Systems Inc. attests that since the certification was granted on 08/15/2025 and acknowledges that the requested exhibits for supersede have been viewable to the public since 08/15/2025.

TP-Link Systems Inc. acknowledges that applicable exhibits were public records that we recognize that third-party websites may have obtained the information during the period the information was public and understands the commission has no control over the information on non-FCC websites.

Please kindly permit the supersede.

Thank you.

Sincerely,

Name: Sarah Wang
