Subject: Requesting Class II permissive change for FCC ID: 2BH7FEAP100BRG

To Whom It May Concern:

The purpose of this letter is to request a Class II Permissive change for FCC ID: 2BH7FEAP100BRG, original granted on 01/16/2026.

There is no other hardware or electrical modification made to the applying transmitter itself except below:

1. Updated the test data of 6 dB Bandwidth.
2. Changed the adapters and added functional module circuits such as 24V non-standard power supply delay and adapter detection based on original circuit board.

Please contact me if you have any questions or need further information regarding this application.

Best Regards,

Name: Sarah Wang

Function: Regulatory Compliance Manager
