BRAND STORY

UTIMI

Professional testing and recommendation of each toy

All self-developed products are selected through online screening. Also, tested and recommended by professional players, and judged by the platform as excellent products before they hit the shelves.
Choose Utimi, no longer bad mood by buying inferior products.

Evolution
In 2014, UTIMI was founded.
In 2018, UTIMI became the largest seller in the Sexual Wellness category on Amazon.
In 2018, UTMI has 100+ patents for adult products.

Over the years, we found a large number of problems with adult products such as short life span, poor use, no privacy packaging, and use of materials that are harmful to the body. To solve these problems, we carried out a comprehensive strategic upgrade and determined to allow users to easily find the right and reassuring products.

Pleasure Products
Utimi provides "high-quality, safe, creative, effective, cost-effective" erotic products, as well as one-on-one expert customer service.

Each product is selected and developed from the real needs of users, careful analysis and research on the pain points of similar products. We focus on product rationality and how to use it longer and safer.
Each product is tested by professional players around the world, and receives their unanimous recommendation, and then is judged by the platform to be excellent before it goes on sale.
For each order, we invite users to participate in a satisfaction survey. The number of participants reaches more than 50.
Products with a rating or a recommendation ratio separately lower than 4.3 or 80% will be permanently banned from sale.
It's our priority to collect users' experience.

Interactions
Freedom, equality, respect, sharing, tolerance!
Sex is a fundamental human need, one that transcends gender, age, color, class, and culture, shameless and unyielding one with no obscurity and no relocation, a spiritual life that humans enjoy equally!
Utimi unites a group of certified professional sex educators, sexology experts, sex toy connoisseurs, and also brings together a group of men and women, LGBTQ, SM players who seek excitement and love to explore and share .You can easily communicate and share with us, and together we can create a very inclusive spiritual paradise.

OUR SLOGAN:

Professional, safe, creative, effective, cost-effective

EN

MATTERS NEEDING ATTENTION

1. When the charging cable is connected correctly, the indicator light flashes every few seconds.

2. When the device is fully charged, the indicator light stays on.

3. To ensure the quality of the battery, please fully charge it at least once every six months.

4. The included USB charging cable is not waterproof. Please be careful not to put it in water to avoid other accidents such as electric shock or burns

EN

CLEANING & STORAGE

>> Cleaning
1. The product body is waterproof and can be washed underwater. Please pat it dry with a dry, lint-free linen or towel after washing.

2. If there is lubricating oil or dirt on the product, wipe it with a soft cloth and clean it with mild soap or neutral detergent.

3. Do not rinse with hot water or boil it. Do not clean it with solvents such as benzene and alcohol to avoid deformation and discoloration of the product.

>> Storage

Avoid the sun
Away from children
Ventilated place
Fully charge in 6 months

⚠ It is strictly forbidden to immerse this product in water during charging to avoid accidents such as electric shock, short circuit, fire, etc.
⚠ Please do not store this product in places exposed to sunlight, high temperature, or high humidity. This may cause discoloration, cracking, heating, and even fire.

EN

TROUBLESHOOTING

Does the product not work properly/is the telescopic or rotating function weak?
Is it fully charged? After pressing the power button, did you hold the power for 2-3 seconds?
Please release the power until the product cannot be turned on, and then fully charge it. If it still does not work after several attempts, the battery may be damaged. (Contact us to get a new product)

The product cannot be charged. (The indicator light does not flash)
1. Please check whether the charging cable is connected to the charging port.
2. Please check whether your computer is in standby mode. When using the computer USB port, if your computer enters standby mode, the product will not charge.
3. There may be dust and stains on the charging port. When charging again, please wipe it with a dry cloth or cotton swab
4. Is the product fully charged? When the product is fully charged, the indicator light will stay on.

Charging has not been completed. (The indicator light does not go out)
Dust and stains may be adsorbed on the charging port. Please wipe it with a dry cloth or cotton swab before charging.
If the indicator light is still on after charging for 180 minutes, it may be caused by poor contact of the charging contacts.

SAFETY & WARNINGS

FCC Statement
Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
-- Reorient or relocate the receiving antenna.
-- Increase the separation between the equipment and receiver.
-- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
-- Consult the dealer or an experienced radio/TV technician for help
This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1)this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment.
