

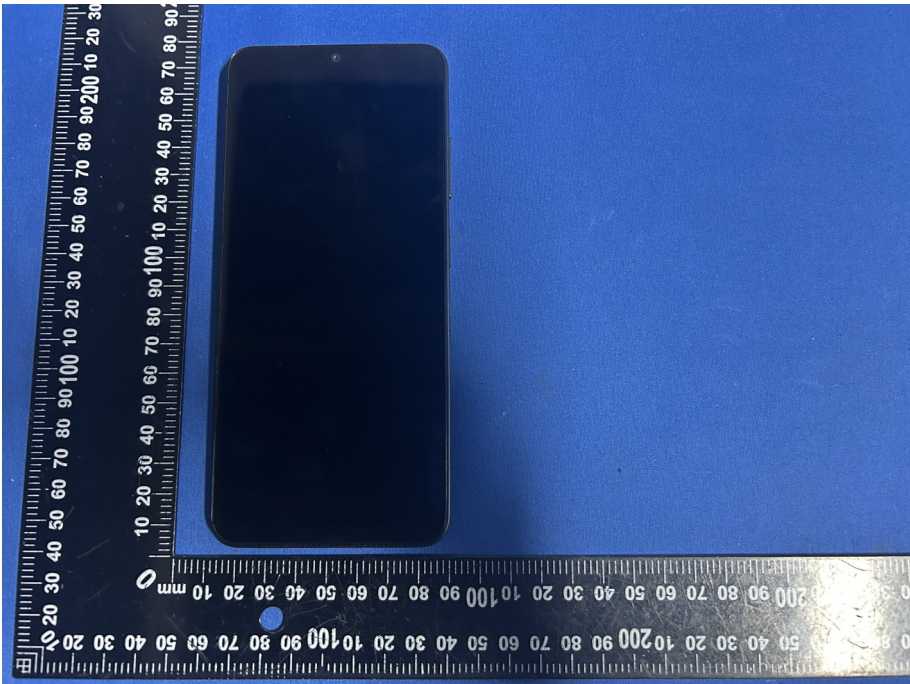

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A photograph showing a black smartphone, a white USB cable, and a white power adapter. The items are placed on a blue background next to a ruler for scale. The ruler has markings in centimeters and millimeters. The smartphone is positioned vertically, and the USB cable and power adapter are placed to its right.
EUT View 2	 A photograph showing a black smartphone placed vertically on a blue background next to a ruler for scale. The ruler has markings in centimeters and millimeters. The smartphone is positioned vertically, and the ruler is placed to its left.

EUT View 3	 A black smartphone is shown from the back, positioned vertically. It features a dual-camera system with two lenses and a flash. The phone is placed next to a ruler for scale. The ruler has markings in centimeters and millimeters. The phone's back has the text "LIFEPHONE" and "5000mAh" visible.
EUT View 4	 A black smartphone is shown from the side, positioned horizontally. It features a dual-camera system with two lenses and a flash. The phone is placed next to a ruler for scale. The ruler has markings in centimeters and millimeters. The phone's side has the text "LIFEPHONE" and "5000mAh" visible.

EUT View 5

EUT View 6

EUT View 7	 A black smartphone is shown from the back, lying on a blue surface. A black ruler with white markings is placed horizontally below the phone. The phone has a square camera module in the top right corner with two lenses and a flash. The text "LIFEPHONE" and "YOUR DIGITAL LIFE" are visible on the back. The ruler shows measurements in centimeters and millimeters.
	 A close-up view of the bottom edge of the smartphone, showing the USB-C port and two circular speaker grilles. The phone is resting on a blue surface.
