

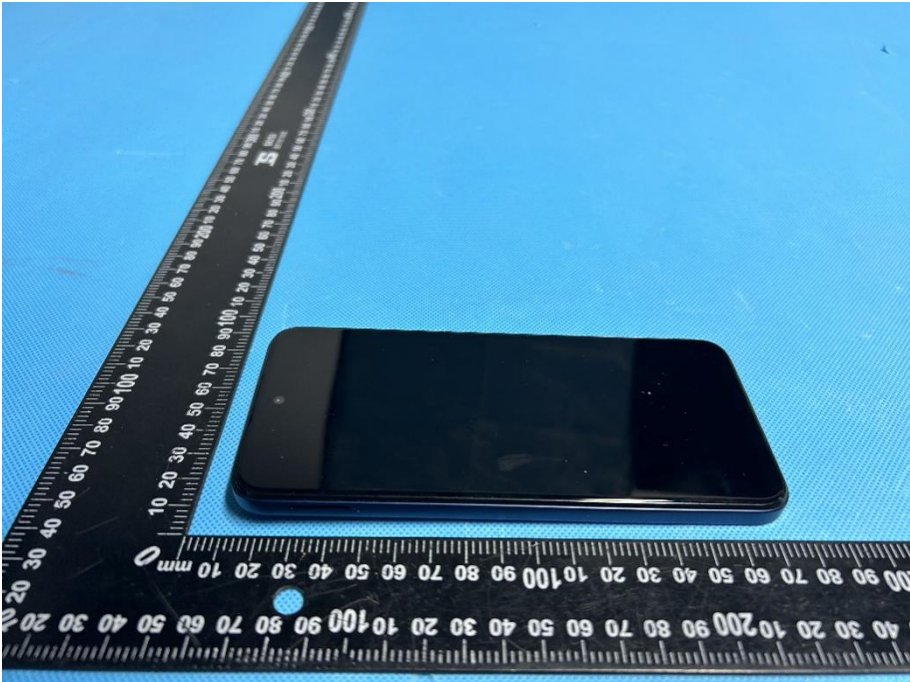

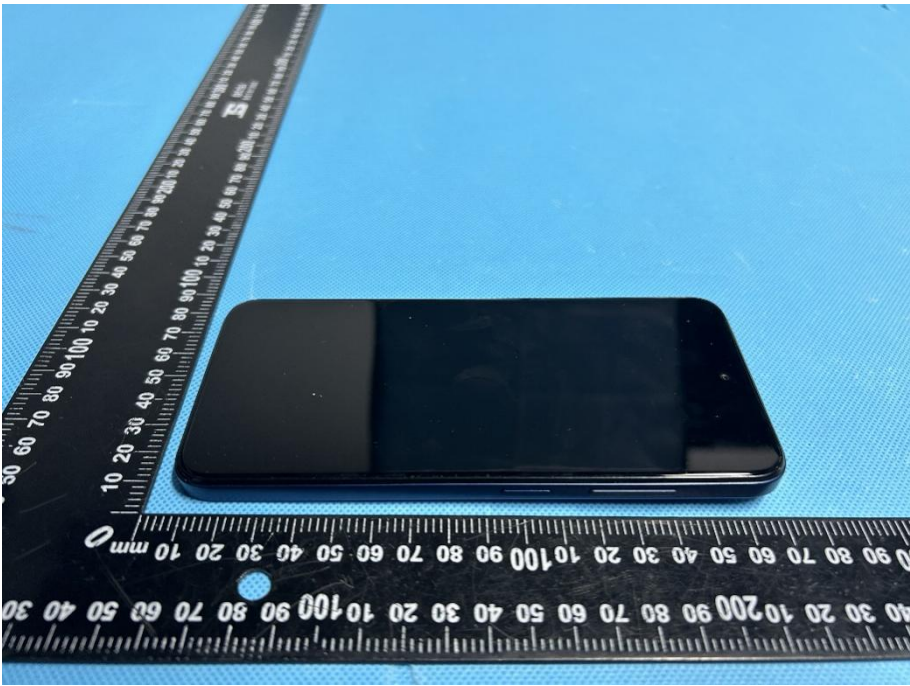

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	
EUT View 2	

EUT View 3	 A black smartphone is shown from the back, lying on a blue textured surface. To its left is a black ruler with white markings in centimeters and millimeters. The phone's camera module is visible in the upper left corner of the device, featuring three lenses and a flash. The phone has a glossy finish and the brand name 'LIFEPHONE' is visible near the bottom.
EUT View 4	 A black smartphone is shown from the front, lying on a blue textured surface. To its left is a black ruler with white markings in centimeters and millimeters. The phone's screen is dark and reflects some light. The phone has a slim profile and rounded corners.

EUT View 5	
EUT View 6	

EUT View 7	 A top-down photograph of a black smartphone lying on a blue textured surface. A black ruler with white markings is placed horizontally above the phone. The ruler shows measurements in centimeters (0 to 100) and millimeters (0 to 10). The phone is positioned between the 10 cm and 20 cm marks.
	 A side-profile photograph of the same black smartphone, showing its slim design. The phone is oriented vertically against a blue background. Visible features include a circular camera lens, a small circular sensor, and a rectangular port (likely a USB-C or Lightning connector) on the side.
