

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

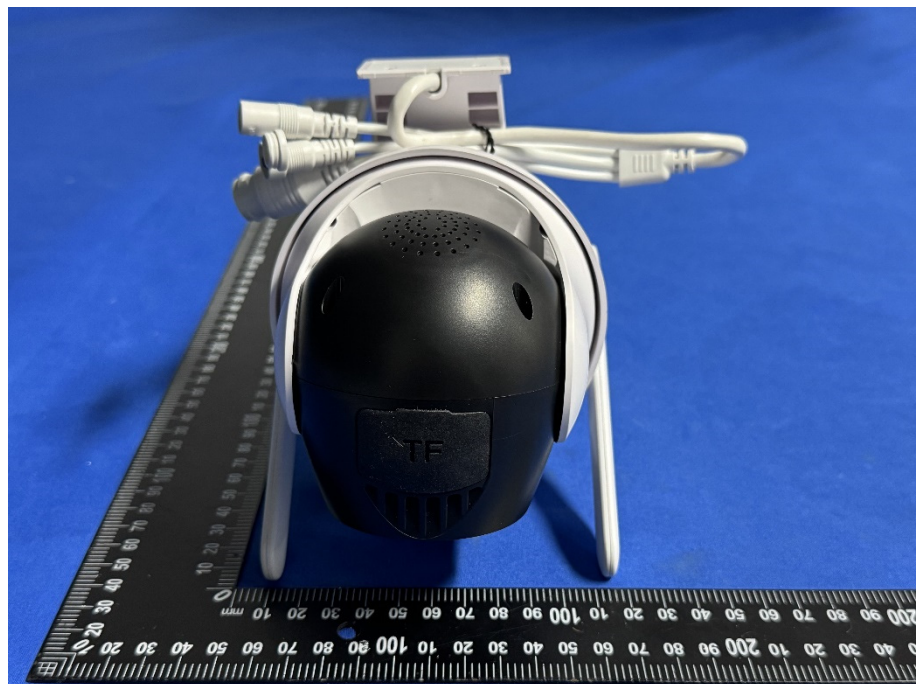

EUT View 1	 A photograph of a white and black wireless security camera, model WTX25X06142029W001, positioned on a blue surface. The camera has a black top section with a lens and four small LEDs, and a white base with two small sensors. A black ruler is placed horizontally next to the camera for scale. A white power adapter and its corresponding cable are also visible next to the camera.
EUT View 2	 A close-up photograph of the same white and black wireless security camera, showing the front lens and the four small LEDs. A black ruler is placed horizontally next to the camera for scale.
