To FCC:  
RE: FCC Permissive II Change Request for Company: Inlumen Technologies Co., Ltd.  
FCC ID:2BHFB-RICO2-00

We are submitting an application for a class II permissive change to the FCC approval of the Companyname: Inlumen Technologies Co., Ltd., product description: RICO2 THERMAL IMAGING SCOPE(FCC: 2BHFB-RICO2-00, Original Grant Date: 03/13/2025).

The prototype has been replaced with a new laser module:

|        |              |                                                                                      |
|--------|--------------|--------------------------------------------------------------------------------------|
|        | Laser Module |                                                                                      |
| Before |              |   |
| After  |              |  |

Radiated Band Edges , Spurious Emission and AC Power Line Conducted Emission were retested according to the prototype changes.SAR needs to perform differential testing.
