HTC

Wireless Earphones 15

Quick Start Guide

HTC NE15

Product Specifications

Model: HTC NE15

Bluetooth

Range: ≈10 m  
Version: 6.0

Speaker

Diameter: 13 mm  
Impedance: 32 Ω

Earphone power

Input: 5 V=35 mA  
Output: 5 V=70 mA  
Battery capacity: 35 mAh  
Battery life: ≈ 4.5 hrs  
Charging time: ≈ 1.5 hrs

Charging case power

Input: 5 V=300 mA  
Output: 5 V=70 mA  
Battery capacity: 300 mAh  
Charging time: ≈ 1.5 hrs  
Earphone recharges: 3 charges (when case is fully charged)

Touchpad

Charging contact

Earphone speaker

Charging case LEDs

USB Type-C port

14

Take out and pair the earphones

If you're using the earphones for the first time, remove both from the charging case. The LED on one earphone will blink white, indicating that they are in pairing mode.

Note:

- If the earphones have not been paired with each other, they will automatically enter pairing mode when turned on. You'll hear two beeps when pairing is successful.
- If the earphones have been paired before, they will automatically reconnect to each other when turned on. You'll hear a beep when they connect.

15

How to put on the earphones

16

Power on and off

**Power on**  
Taking the earphones out of the charging case will automatically turn them on.  
To manually turn on each earphone, press and hold the touchpad for three seconds.

**Power off**  
Placing the earphones in the charging case will automatically turn them off.

Note: If the earphones are not paired with a Bluetooth device within three minutes after powering on, they will automatically power off. They will also power off after three minutes if the paired Bluetooth device moves out of the effective connection range and has not reconnected.

18

Connect to Bluetooth device

On your device, turn on Bluetooth and choose to connect to "HTC NE15".

19

Basic operations

11

Key functions

- Play/Pause: Tap either earphone once,
- Volume up: Tap the right earphone twice,
- Volume down: Tap the left earphone twice,
- Play previous track: Tap the left earphone three times,
- Play next track: Tap the right earphone three times,
- Answer/End call: Tap either earphone once,
- Reject call: Press and hold either earphone for two seconds,
- Activate voice assistant: Press and hold the left earphone for two seconds.

Note: When using a single earphone only, press and hold the active earphone for two seconds.

- Switch between Game and Music modes: Music mode is the default mode. Press and hold the right earphone for two seconds to switch between modes. (The louder notification sound indicates Game mode.)

Note: Mode switching is disabled when you're using a single earphone only.

Indicator LEDs

| Earphone LED   | Status                                                  |
|----------------|---------------------------------------------------------|
| Blinking white | Both earphones: Powered on<br>Single earphone: Unpaired |
| Solid white    | Charging                                                |
| Off            | Paired or fully charged                                 |

Charging case LEDs

| Status         |                                                                       |
|----------------|-----------------------------------------------------------------------|
| Blinking white | Case charging                                                         |
| Solid white    | Four LEDs: Case fully charged<br>One or more LEDs: Earphones charging |

12

How to reset the earphones

If the earphones fail to pair or reconnect to each other, reset them by tapping both earphones five times simultaneously.

Note: Resetting the earphones will clear the Bluetooth pairing history.

13

Important Safety Instructions

Carefully read all the safety instructions in this document before using the product.

General safety instructions

- Use the product with care and store it in a clean environment that is free from extreme temperature, pressure, and humidity. Make sure that the product is stored in a location where it cannot be bent or squeezed.
- Repairs and replacements should only be performed by authorized after-sales service staff. Do not attempt to disassemble or replace any part of the product yourself to prevent injuries or damage to the device. Any unauthorized modification to the product voids the warranty.
- Only use the product in environments where Bluetooth transmission is permitted.

Personal safety instructions

- Do not use the product if it is obviously defective or exhibits abnormalities such as bulging or excessive heating.
- Do not use the product when performing high-risk tasks that require your full attention.
- For your hearing protection, do not listen at high volume for long periods.
- Keep the product and its packaging out of reach of children and pets to prevent accidents such as swallowing and choking.

14

Battery safety instructions

The product has a built-in rechargeable battery. Read the following instructions to ensure safe use and disposal.

- Keep the product away from prolonged exposure to heat sources such as open fires or direct sunlight.
- Only store the product in environments with ambient temperatures of 0°C to 35°C (32°F to 95°F).
- Do not use or store the product in dust-prone, smoke-prone, high-temperature, high-pressure, or highly humid environments.
- Keep the product dry and away from liquids or moisture.
- Only use an FCC or CCC-certified charger with an output voltage of 5 V/1 A DC.
- Do not use the product while charging.
- Do not leave the product charging for longer than 8 hours.
- Dispose of the product responsibly according to your local waste management guidelines.

15

FCC ID: 2BHJR-NE15

FCC Caution:  
This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
