| 外壳等小结构件                                                                                                                                                                                                                                                     | ○                                                                                                                                                                                                                                                                                                      | ○                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | ○                                                                                         | ○                                                                                                                                                                                       | ○                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | ○               |                     |           |                     |                                                                                                  |                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                                                    |                                                                                                                                   |                                                                                                                                      |             |         |   |   |   |   |   |   |         |   |   |   |   |   |   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                |  |  |

| <h2>HTC Wireless Earphones 4S</h2> <p><b>Quick Start Guide<br/>HTC NE4S</b></p> | <h3>Product Specifications</h3> <p>Model: HTC NE4S</p> <p><b>Bluetooth</b><br/>Range: ~10 m<br/>Version: 5.0</p> <p><b>Speaker</b><br/>Diameter: 13 mm<br/>Impedance: 29 Ω</p> <p><b>Earphone power</b><br/>Input: 5 V ≈30 mA<br/>Battery capacity: 30 mAh<br/>Battery life: ~ 4 hrs<br/>Charging time: ~ 1.5 hrs</p> <p><b>Charging case power</b><br/>Input: 5 V≈500 mA<br/>Output: 5 V≈10 mA<br/>Battery capacity: 500 mAh<br/>Charging time: ~ 2 hrs<br/>Earphone recharges: 3 charges (when case is fully charged)</p> | <h3>What's in the box</h3> | <h3>Components</h3> | <h3>Take out and pair the earphones</h3> <p>If you're using the earphones for the first time, remove both from the charging case. The LED on one earphone will blink white and cyan alternately, indicating that they are in pairing mode.</p> <p>Note:<br/>• If the earphones have not been paired with each other, they will automatically enter pairing mode when turned on. You'll hear two beeps when pairing is successful.<br/>• If the earphones have been paired before, they will automatically reconnect to each other when turned on. You'll hear a beep when they connect.</p> | <h3>How to put on the earphones</h3> |  | <h3>Power on and off</h3> <p><b>Power on</b><br/>Taking the earphones out of the charging case will automatically turn them on.<br/>To manually turn on each earphone, press and hold the touchpad for three seconds.</p> <p><b>Power off</b><br/>Placing the earphones in the charging case will automatically turn them off.<br/>To manually turn off each earphone, press and hold the touchpad for five seconds.</p> <p>Note: If the earphones are not paired with a Bluetooth device within three minutes after powering on, they will automatically power off. They will also power off after three minutes if the paired Bluetooth device moves out of the effective connection range and has not reconnected.</p> | <h3>Connect to Bluetooth device</h3> <p>On your device, turn on Bluetooth and choose to connect to "HTC NE4S".</p> | <h3>Basic operations</h3> | <h3>Key functions</h3> <ul style="list-style-type: none"> <li>• Play/Pause: Tap either earphone once.</li> <li>• Volume up: Tap the right earphone twice.</li> <li>• Volume down: Tap the left earphone twice.</li> <li>• Play previous track: Tap the left earphone three times.</li> <li>• Play next track: Tap the right earphone three times.</li> <li>• Answer/End call: Tap either earphone once.</li> <li>• Reject call: Press and hold either earphone for two seconds.</li> <li>• Activate voice assistant: Press and hold the left earphone for two seconds.</li> </ul> <p>Note: When using a single earphone only, press and hold the active earphone for two seconds.</p> <p>Switch between Game and Music modes: Music mode is the default mode. Press and hold the right earphone for two seconds to switch between modes. (The louder notification sound indicates Game mode.)<br/>Note: Mode switching is disabled when you're using a single earphone only.</p> <table border="1"> <thead> <tr> <th>Indicator LED</th> <th>Status</th> </tr> </thead> <tbody> <tr> <td>Blinking white and cyan</td> <td>Both earphones: Powered on<br/>Single earphone: Paired</td> </tr> <tr> <td>Off</td> <td>Paired or fully-charged</td> </tr> </tbody> </table> | Indicator LED | Status | Blinking white and cyan | Both earphones: Powered on<br>Single earphone: Paired | Off | Paired or fully-charged | <h3>How to reset the earphones</h3> <p>If the earphones fail to pair or reconnect to each other, reset them by tapping both earphones five times simultaneously.<br/>Note: Resetting the earphones will clear the Bluetooth pairing history.</p> | <h3>Case display: Basic operations</h3> <p><b>Turn on display</b><br/>Tap the display twice or press the multifunction button once.</p> <p><b>Turn off display</b><br/>Press the multifunction button once to turn off the display. The display automatically turns off after 30 seconds of inactivity.</p> <p>Note: Initial activation required for first-time use.<br/>Do any of the following:<br/>• Change the charging case via the USB Type-C port.<br/>• Press and hold the multifunction button for five seconds.</p> | <h3>Multifunction button operations</h3> <p>Press once: Turn the screen on/off.<br/>Press three times: Link earphones to charging case. Press and hold for four seconds: Open the system menu (Restart, Power off, and Factory reset).<br/>Press and hold for five seconds: Power on the screen (when off). Press and hold for eight seconds: Restore to factory settings.</p> <h4>Status Icons Guide</h4> <table border="1"> <thead> <tr> <th>Icon</th> <th>Status</th> </tr> </thead> <tbody> <tr> <td>Solid red</td> <td>Earphones in case, not connected to phone</td> </tr> <tr> <td>Solid white</td> <td>Case connected to earphones, but earphones offline</td> </tr> <tr> <td>Solid blue</td> <td>Case connected to earphones, earphones paired to phone</td> </tr> <tr> <td>Blue icon</td> <td>Status</td> </tr> <tr> <td>Solid green</td> <td>Earphones charging</td> </tr> <tr> <td>Solid white</td> <td>Earphones in use</td> </tr> </tbody> </table> | Icon | Status | Solid red | Earphones in case, not connected to phone | Solid white | Case connected to earphones, but earphones offline | Solid blue | Case connected to earphones, earphones paired to phone | Blue icon | Status | Solid green | Earphones charging | Solid white | Earphones in use | <h3>Case display: Feature overview</h3> <p><b>Lock screen</b><br/></p> <p>Swipe to unlock the screen.</p> <p><b>Menu (Gear style)</b><br/></p> <p>Tap an item to access its options.</p> | <h3>Music</h3> <p>TikTok<br/>Make sure your earphones are connected to your phone and the TikTok app is open.<br/>For iOS devices, AssistiveTouch must be turned on in Settings &gt; Accessibility &gt; Touch &gt; AssistiveTouch</p> <p>Switch between the preset equalizer settings.</p> <p><b>Find my earphones</b><br/></p> <p>Tap <b>L</b> or <b>R</b> depending on which earbuds you want to find.<br/>Tap again when you find the earbuds to stop the beep.</p> | <h3>Equalizer</h3> | <h3>Camera</h3> <p>Make sure your earphones are connected to your phone.</p> <p>Tap  to open the phone's camera app and then press the multifunction button to take photos.<br/>This feature only works with the pre-installed camera app and may not be supported on all phone models.</p> <h3>Voice assistant</h3> <p>Tap  to activate your phone's voice assistant.</p> | <h3>Game</h3> <p>Birds: Tap the screen to navigate the bird through the obstacles.</p> <h3>Brightness</h3> <p>Brightness Control: Swipe up or down.<br/>Screen timeout: Swipe left to select a time for the screen to turn off when left idle.</p> <h3>Translation</h3> <p>Displays translated content synchronized with the connected app.</p> | <h3>Settings</h3> <p>Tap an item to access its options.</p> <h3>Lock screen wallpaper</h3> <p>On the Home screen, press and hold the screen for three second to change the wallpaper. You can also change it in Settings.</p> | <h3>Background wallpaper</h3> <p>Toggle between background operations.</p> <h3>Time settings</h3> <p>Set current time/date and format preferences.</p> | <h3>Language</h3> <p>Switch between different country/region languages. Requires re-selection after factory reset.</p> <h3>Tap to wake</h3> <p>Turn on or off to allow tapping the display to turn it on. Turn off to prevent display from accidentally turning on.</p> | <h3>Important Safety Instructions</h3> <p>Carefully read all the safety instructions in this document before using the product.</p> <h4>General safety instructions</h4> <ul style="list-style-type: none"> <li>• Use the product with care and store it in a clean environment that is free from extreme temperature, pressure, and humidity. Make sure that the product is stored in a location where it cannot be bent or squeezed.</li> <li>• Repairs and replacements should only be performed by authorized after-sales service staff. Do not attempt to disassemble or replace any part of the product yourself to prevent injuries or damage to the device. Any unauthorized modification to the product voids the warranty.</li> <li>• Only use the product in environments where Bluetooth transmission is permitted.</li> </ul> <h4>Personal safety instructions</h4> <ul style="list-style-type: none"> <li>• Do not use the product if it is obviously defective or exhibits abnormalities such as bulging or excessive heating.</li> <li>• Do not use the product when performing high-risk tasks that require your full attention.</li> <li>• For your hearing protection, do not listen at high volume for long periods.</li> <li>• Keep the product and its packaging out of reach of children and pets to prevent accidents such as swallowing and choking.</li> </ul> | <h3>Battery safety instructions</h3> <p>The product has a built-in rechargeable battery. Read the following instructions to ensure safe use and disposal.</p> <ul style="list-style-type: none"> <li>• Keep the product away from prolonged exposure to heat sources such as open fires or direct sunlight.</li> <li>• Only store the product in environments with ambient temperatures of 0°C to 35°C (32°F to 95°F).</li> <li>• Do not use or store the product in dust-prone, smoke-prone, high-temperature, high-pressure, or highly humid environments.</li> <li>• Keep the product dry and away from liquids or moisture.</li> <li>• Only use an FCC or CCC-certified charger with an output voltage of 5 V/1 A DC.</li> <li>• Do not use the product while charging.</li> <li>• Do not leave the product charging for longer than eight hours.</li> <li>• Dispose of the product responsibly according to your local waste management guidelines.</li> </ul> | <h3>FCC ID: 2BHQJ-NE45</h3> <p>FCC Caution:<br/>This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.</p> <p>Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.</p> <p>Note: This Equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p> <ul style="list-style-type: none"> <li>• Reorient or relocate the receiving antenna.</li> <li>• Increase the separation between the equipment and receiver.</li> <li>• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.</li> </ul> | <p>• Consult the dealer or an experienced radio/TV technician for help.</p> <p>Trademarks and permissions:<br/>The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.</p> <table border="1"> <thead> <tr> <th>US REP</th> </tr> </thead> <tbody> <tr> <td>Company</td></tr></tbody></table> | US REP | Company |
