Components

How to put on the earphones

EN

Basic operations

How to reset the earphones

If the earphones fail to pair or reconnect to each other, reset them by tapping both earphones five times simultaneously.
Note: Resetting the earphones will clear the Bluetooth pairing history.

Key functions

- Play/Pause: Tap either earphone once.
- Volume up: Tap the right earphone twice.
- Volume down: Tap the left earphone twice.
- Play previous track: Tap the left earphone three times.
- Play next track: Tap the right earphone three times.
- Answer/End call: Tap either earphone once.
- Reject call: Press and hold either earphone for two seconds.
- Activate voice assistant: Press and hold the left earphone for two seconds.

Note: When using a single earphone only, press and hold the active earphone for two seconds.

- Switch between Game and Music modes: Music mode is the default mode. Press and hold the right earphone for two seconds to switch between modes. (The louder notification sound indicates Game mode.)

Note: Mode switching is disabled when you're using a single earphone only.

Indicator LEDs

Earphone LED	Status
Blinking red and white	Both earphones: Powered on Single earphone: Unpaired
Solid white	Earphone charging
Off	Paired or fully charged
Charging case display	Status
Flashing	Case charging
Shows 100%	Case fully charged

Power on

Taking the earphones out of the charging case will automatically turn them on.

To manually turn on each earphone, press and hold the touchpad for three seconds.

Power off

Placing the earphones in the charging case will automatically turn them off.

To manually turn off each earphone, press and hold the touchpad for five seconds.

Note: If the earphones are not paired with a Bluetooth device within three minutes after powering on, they will automatically power off. They will also power off after three minutes if the paired Bluetooth device moves out of the effective connection range and has not reconnected.

Connect to Bluetooth device

On your device, turn on Bluetooth and choose to connect to "ERAZER XF60".

FCC ID: 2BHJR-XF60

FCC Warning:

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference
- (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

*RF warning for Portable device:

The device has been evaluated to meet general RF exposure requirement.
The device can be used in portable exposure condition without restriction.
