

A close-up photograph of the back of a black medical device. A white rectangular label is affixed to the back panel. Two red arrows originate from the top left of the frame and point towards the label. The label contains the following text: "PatientPoint Health Technologies, LLC", "Model number: P-WAL-230-SBT-01", and "Input: DC=12V 5A". Below the text is a warning symbol consisting of two triangles pointing towards a central circle, with the word "CAUTION" above it. To the right of the label, the letters "W/" are visible. Further to the right, there is a small circular port and a series of small circular ventilation holes. The device is set against a light blue background.
