Important Safety Information

WARNING: Not following these safety instructions may cause fire, electric shock, injury, or damage to the charger or other property. Please read all safety information below before using.

Medical Device Interference

This product contains integrated magnets. As with other products containing magnets, this device could potentially affect the operation of certain medical devices. Individuals with medical devices such as pacemakers, implantable defibrillators, or other similar devices should keep this product at a safe distance. Consult your healthcare provider and the manufacturer of your medical device for specific information and guidance.

Warm Surface

It's normal for the wireless charger and your device to get warm during use. For best performance:

- Place on a flat, hard surface
- Remove thick or metal phone cases
- Keep the device centered on the pad
- Use in a well-ventilated area

Avoid direct skin contact with the charger, power adapter, or devices while in use or connected to power—do not sleep on them or cover them with blankets or pillows.

Device Care

- Keep the unit dry and avoid extreme temperatures.
- Keep the unit away from children and medical devices that can be affected by magnets.
- Clean with a damp cloth. Unplug before cleaning.
- Do not disassemble the unit or dispose of the unit in fire.

Specifications

- Model Number: FTNTWC02
- Dimensions: 160 x 97 x 120 mm
- Weight: 170 grams
- Operating Temperature: 0-35°C (32-95°F)
- Input: 9V = 3A
- Output: Main Charger: 15W max (7.5W max for iPhone) Companion Charger: 5W max Apple Watch Charger: 2.5W max

*To ensure optimal performance on all charging pads, use a power adapter that provides at least 27W output. Charging speed depends on various factors such as device model, temperature, and battery level.

- **Apple Watch:** All models.
- **AirPods:** AirPods Pro 2, AirPods 4 (ANC).

What's In The Box

1x ZenStand Magnetic 3-in-1 Wireless Charger
1x User Manual
(Power adapter sold separately)

Legal

The Manufacturer shall not be liable, whether to you or any third party, for any damages arising from the use, misuse, intended or unintended use of this product when used with any device or accessory other than its designated compatible device. The Manufacturer assumes no responsibility for any harm or losses resulting from such misuse. The Purchaser agrees to defend, indemnify, and hold the Manufacturer harmless from any claims, liabilities, or damages arising from unintended use, misuse, or use with non-approved devices.

1-Year Limited Warranty

Footnote Accessories Co., a brand of Futura Gear Inc., provides a one-year limited warranty for its products, covering defects in materials and workmanship under normal use. This warranty includes free repair or replacement of defective products, but excludes damage from misuse, unauthorized modifications, or normal wear and tear. To obtain service, contact Customer Service with proof of purchase. The warranty is governed by local laws and offers specific legal rights, which may vary by region. For more details, please refer to the full warranty terms on our website: FootnoteAccessories.com or contact email service@futuragear.com.

FCC Compliance

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

1. Reorient or relocate the receiving antenna.
2. Increase the separation between the equipment and receiver.
3. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
4. Consult the dealer or an experienced radio/TV technician for help.

Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

FCC Radiation Exposure Statement

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance of 20 cm between the radiator and your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

FCC ID: **2BHMT-WC02**

We'd Love to Hear From You!

Thank you for choosing our product!
As a small startup, every bit of feedback means the world to us.

We read every single review and use your input to shape what we build next. Your voice helps our small team grow and innovate—one product at a time.

If you've enjoyed using it—or if you've got suggestions on how we can do better—we'd be truly grateful if you could take a moment to leave a review. Your honest thoughts not only help us improve, but also help others make informed decisions.
