Date: September 1, 2026

Subject: FCC “too small to label” statement (KDB 784748 D01)
Lumia Health, Inc.
FCC ID: 2BHMV-L20926

To Whom It May Concern:

Due to the small size of the Ear Piece, a legible physical label meeting the requirements of 47 CFR § 2.925 cannot be affixed to the device. Per KDB Publication 784748 D01, the FCC ID (2BHMV-L20926) is disclosed in the user manual, which is provided electronically through the companion mobile application (About > Legal & Regulatory screen), consistent with the guidance in KDB Publication 784748 D02. A physical label bearing the FCC ID is applied to the retail packaging to meet the requirement for a label at the time of marketing and sale.

Sincerely,

A handwritten signature in black ink, appearing to read "Paul S. Jin", with a stylized flourish at the end.
