EUT View 4

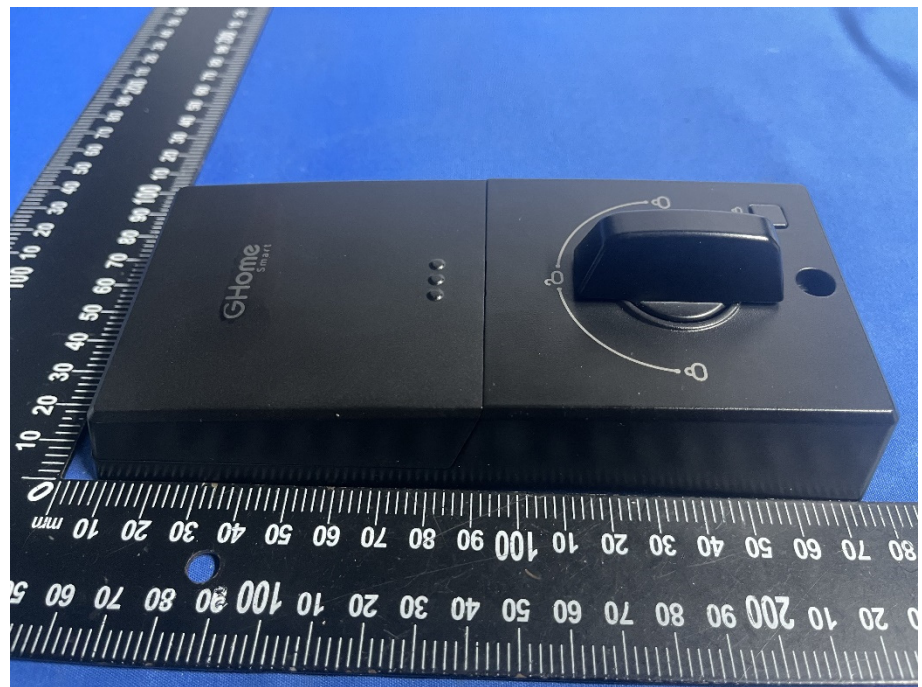

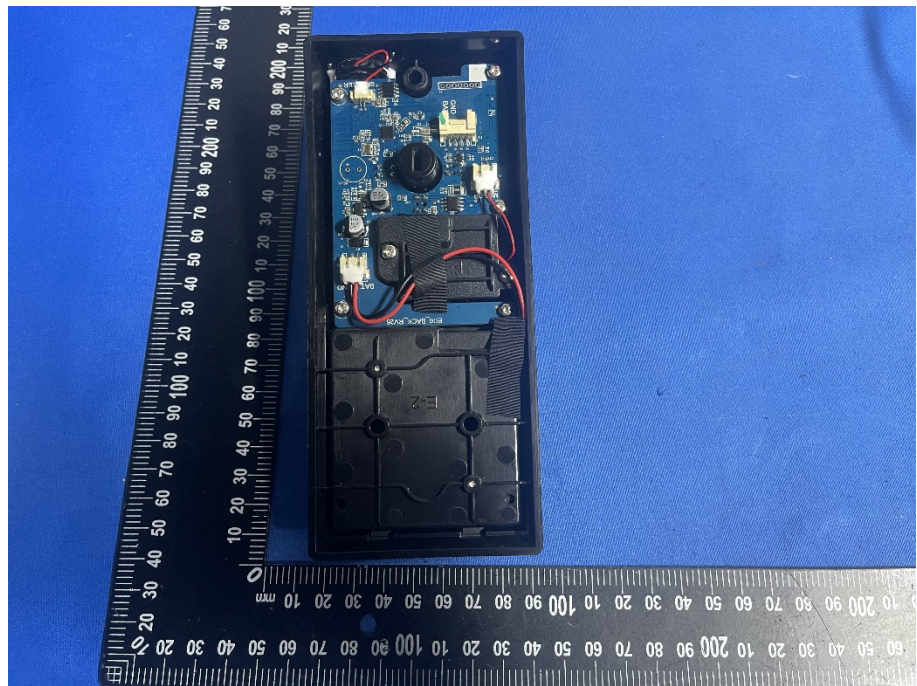

EUT View 5	 A black rectangular electronic device is shown from a top-down perspective. It features a large black rotary switch in the center, with a white arc and two small circles indicating its range of motion. To the right of the switch is a small square button. The device is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.
EUT View 6	 A black rectangular electronic device is shown from a side-on perspective. It features a large black rotary switch in the center, with a white arc and two small circles indicating its range of motion. To the left of the switch is a small square button. The device is placed on a blue surface next to a black ruler with white markings. The ruler shows measurements in millimeters and centimeters.
