EUT View 6

EUT View 7	 A black electronic device, possibly a fingerprint scanner or a similar sensor, is shown lying on a blue surface. The device has a circular sensor area on its top face. A black ruler with white markings is placed horizontally below the device, showing measurements in millimeters. The device's length is approximately 100 mm.
EUT View 8	 A close-up view of the black electronic device, showing the circular sensor area and a small rectangular port or slot on its side. The device is positioned vertically against a blue background.
