To whom it may concern:

This letter is to inform you that we, Sense Diagnostics, Inc. are requesting Change in FCC ID for the new certification(s), FCC ID: 2BHVY-AMB1. The device to be certified is identical in design and construction to the originally approved product(s). The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

In order to ensure continued compliance of the product, we have employed the following:

The product is still manufactured by the same company using the same design specifications as the original.

The same PCB design, layouts and parts list will be used to manufacture the product.

We have a product sampling program which will retest the product every 12 months to ensure compliance of the product through regular testing.

Sincerely,

Geoff Klass

CEO
