

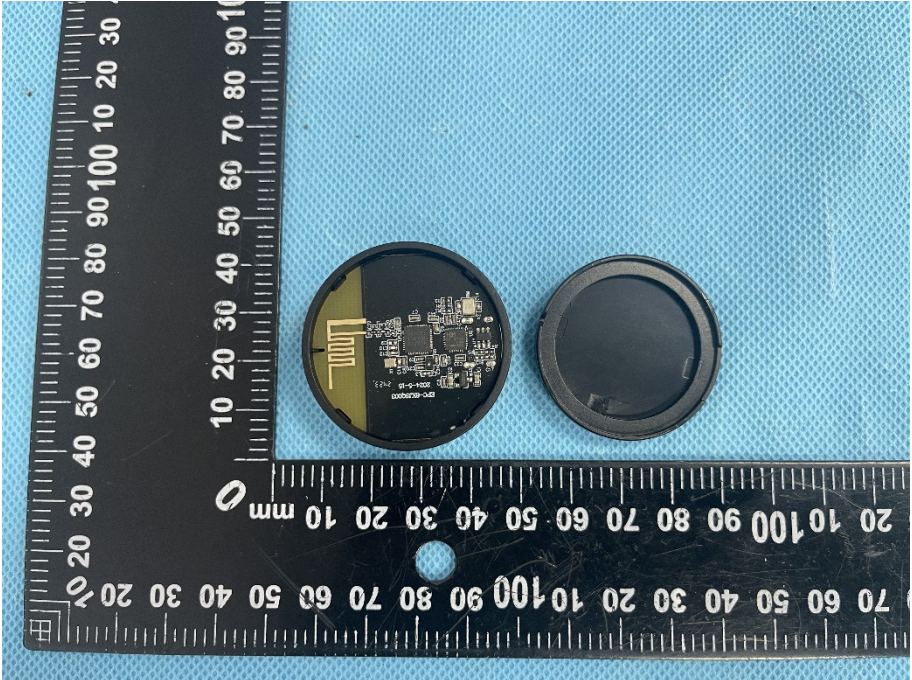

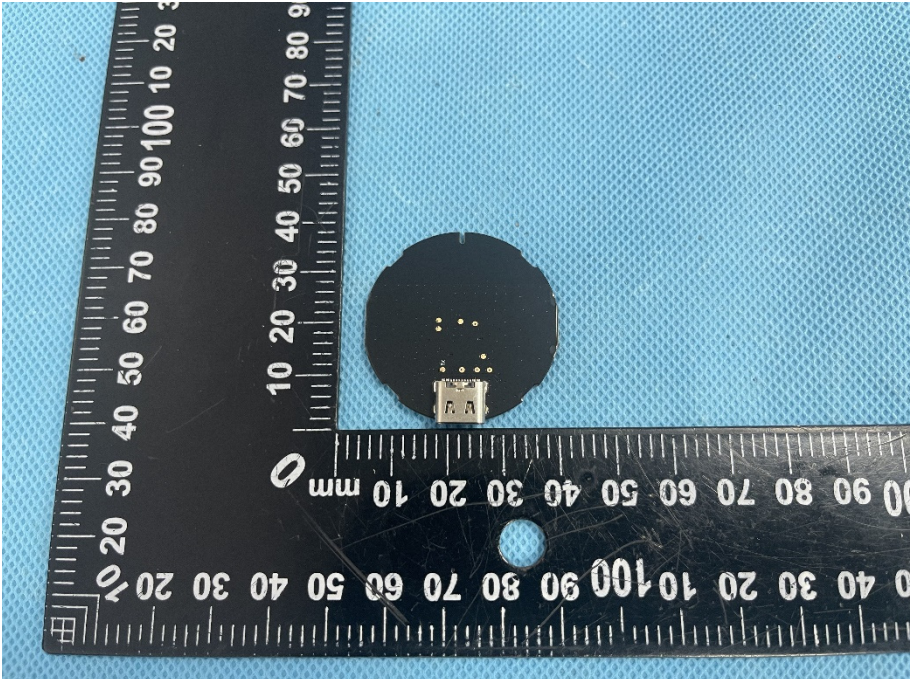

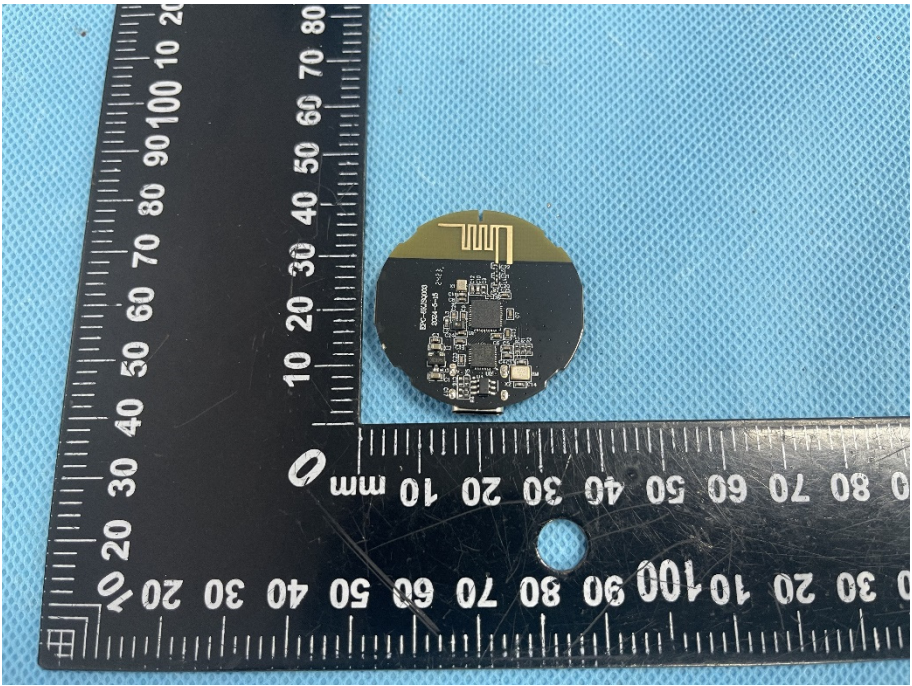

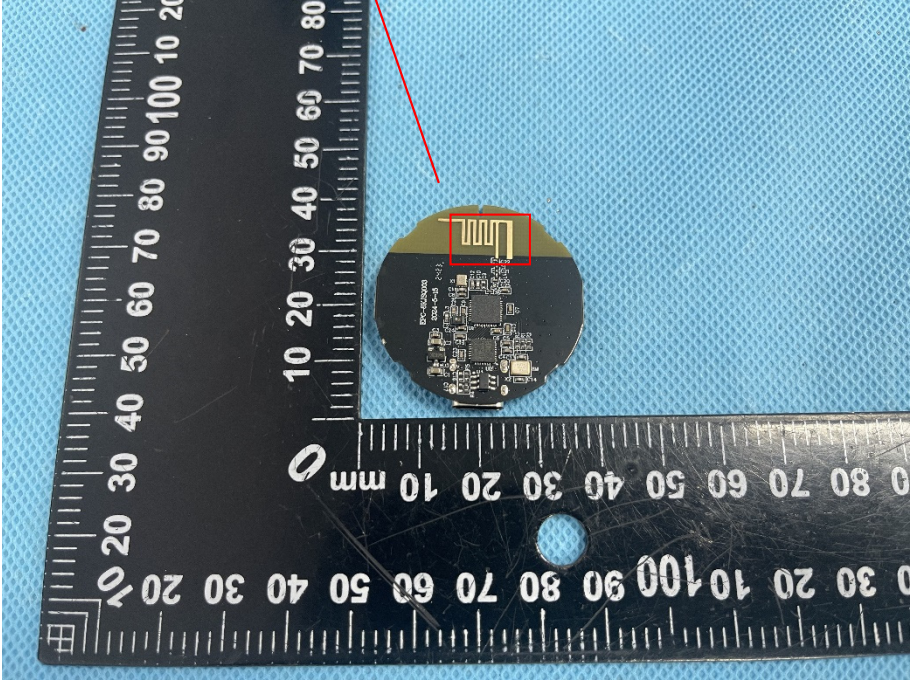

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the internal components of an EUT housing. Two circular components are visible: one is a black PCB with various electronic components, and the other is a black circular cap. A black L-shaped ruler with white markings is placed next to the components for scale. The background is a blue textured surface.
Solder Board- Component View 1	 A photograph showing the solder board component. A circular black PCB with a USB connector is visible. A black L-shaped ruler with white markings is placed next to the component for scale. The background is a blue textured surface.

Solder Board- Component View 2	 A photograph of a circular solder board component with various electronic components and a gold-colored antenna structure. The component is placed on a blue textured surface next to a black L-shaped ruler with white markings in millimeters. The ruler shows dimensions from 0 to 100 mm on both the horizontal and vertical axes.
Antenna View	2.4GHz TX Antenna  A photograph of the same circular solder board component, focusing on the antenna structure. A red rectangular box highlights the antenna, and a red arrow points from the text "2.4GHz TX Antenna" to this box. The component is placed on a blue textured surface next to a black L-shaped ruler with white markings in millimeters.
