

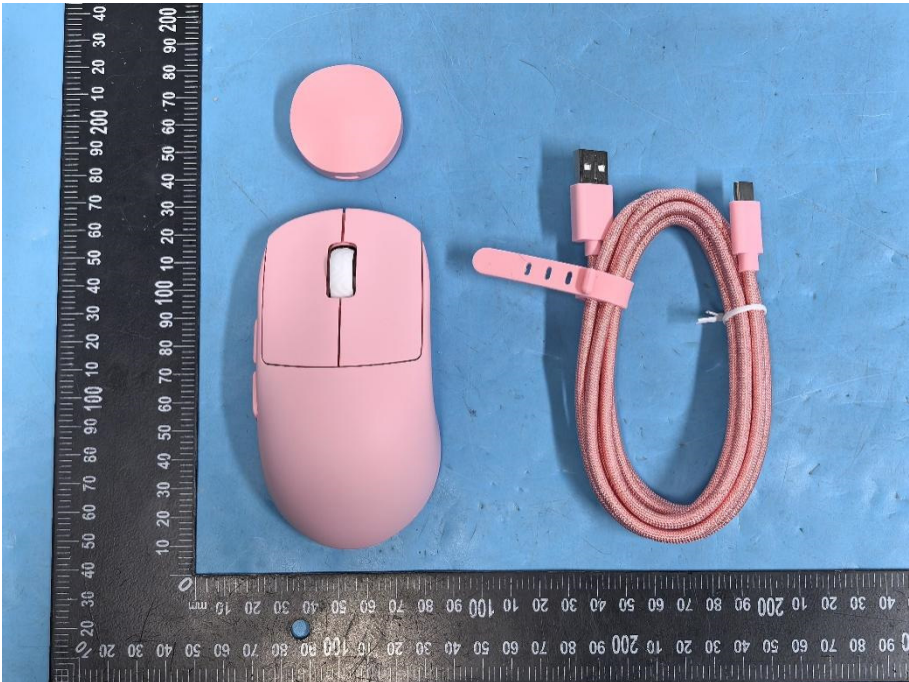

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A top-down photograph of a pink computer mouse and its braided cable. The mouse is positioned vertically, with a small circular pink cap placed above it. To the right of the mouse is a coiled pink braided cable with a USB-A connector on one end and a USB-C connector on the other. A black ruler with white markings is placed horizontally below the mouse and cable, showing measurements in centimeters and millimeters. The background is a blue textured surface.
EUT View 2	 A side-view photograph of the pink computer mouse. The mouse is oriented vertically. A black ruler with white markings is placed horizontally to the left of the mouse, showing measurements in centimeters and millimeters. The background is a blue textured surface.

EUT View 3	 A photograph showing the bottom view of a pink computer mouse. The mouse is positioned vertically on a blue surface. To its left is a black ruler with white markings, showing measurements in millimeters (0 to 100) and centimeters (0 to 10). The mouse has a central circular opening, a small rectangular slot above it, and four small circular holes at the corners. The ruler is placed horizontally, with the 0 mark aligned with the left edge of the mouse.
EUT View 4	 A photograph showing the side view of the same pink computer mouse. The mouse is positioned horizontally on a blue surface. To its left is a black ruler with white markings, showing measurements in millimeters (0 to 100) and centimeters (0 to 10). The mouse has a small white button on the top left and a small rectangular slot on the top right. The ruler is placed horizontally, with the 0 mark aligned with the left edge of the mouse.
