US Warning

1. Indoor Use & Environment

For indoor use only. Place the bike on a flat, stable, dry surface away from direct sunlight, heat, and moisture to prevent rust and damage. Maximum user weight: 100 kg (220 lbs).

2. Pre-Use Inspection & Safe Operation

Check all screws, pedals, and connections for tightness before each use. Do not use if parts are loose or damaged. Keep hands, feet, and loose clothing away from the moving flywheel and pedals.

3. Clothing & Safety

Wear fitted sportswear and athletic shoes. Avoid loose clothing or accessories that may tangle in moving parts, which could cause serious injury.

4. User Guidelines & Medical Advice

Start at low resistance and increase intensity gradually. Consult a doctor before use if you are pregnant, have hypertension, heart disease, or chronic conditions. Stop immediately if you feel dizzy, chest pain, or discomfort.

5. Children & Pets

Keep children under 13 and pets away from the bike at all times. Do not allow children to ride or play on the equipment.

6. Bluetooth & Maintenance

The built-in Bluetooth is only for data transmission. Do not disassemble the monitor or wiring. Keep foreign objects out of the bike to avoid hazards.
