

The image shows the back of a silver Bolt Pro HK mobile phone. A white label is affixed to the upper half of the back cover. The label contains the following text: 'Model: Bolt Pro HK', 'Program: Gole-34207', 'MAC: 9C:7F:ED:3D:C4:D7', and 'SN: 85303082612204'. To the right of the text is a QR code and the 'mottor' logo. Below the label, the phone's internal components are visible, including a large circular camera lens, a smaller circular flash, and a rectangular sensor. The phone is placed on a blue surface, and a yellow ruler is visible along the left and bottom edges for scale.
