

FCC ID: 2BKRS-BUDSOPEN

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

Note: The EUT position is too small to reflect the information of the Label, so the Label will be reflected in the User Manual & Outer Packaging as shown in the position diagram below.
(Reflected on page 1 of the user manual, and the label will also be reflected on the outer packaging)
