

- 本产品含有小零件，请将其置于小孩不能触及的地方，以免发生误食或窒息危险，禁止3岁以下儿童使用。
- Keep the small accessories away from kids to avoid accident, not suitable for children under 3 years.

- 充电前请先检查适配器输入电压与当前使用电压是否一致；
- 适配器输出电压与电池电压要一致。
- 充电时，必须在成人监护下进行。
- 充电时必须远离易燃物，充电时要有成年人在一旁看管。

● Please check whether the adapter input voltage is consistent with the current voltage before charging;

- The device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
- (1) This device may not cause harmful interference.
 - (2) This device must accept any interference, including interference that may cause undesired operation.
- Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
- FCC authorization does not extend to other operations, such as: (1) transmitting or receiving information to or from a radio station pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.
- This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If the equipment does cause interference, which can be determined by turning the equipment off and on, the user is to be advised to take one or more of the following measures:
- To reorient the interference free or more of the following measures.
 - To relocate the receiving antenna.
 - To increase the separation between the equipment and receiver.
 - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
 - Consult the dealer or an experienced radio TV technician for help.

Radiation Exposure Statement
The device has been evaluated to meet general RF exposure requirement in portable exposure condition without restriction.
